

## DEBENTURES TO ASSIST ICE FUND

### Plan To Petition For Joint Action Against Odor

Aurora — It was disclosed Wednesday evening that a group of Aurora citizens is preparing a petition for presentation to the Aurora council protesting the tannery odor and requesting immediate remedial measures.

"We have been forced to put up with this obnoxious condition for many years," commented one member of the group. "Each year it seems to get worse. We can stand it no longer and feel that something must be done about it immediately."

A brief survey of householders revealed that the odors from the tannery are not only irritat-

ing but embarrassing as well. People complain of being awakened during the night by the smell, of being unable to eat and nauseated, and of the sudden departure of visiting relatives and guests.

The members of the group, however, stress the need for co-operation all the way around, and feel that the friendly consideration of the problem, together with a mutual willingness to share whatever financial burden may be necessary, will do much towards the correction of the present "intolerable" situation.

The petition, which is at present being drawn up, is to be presented to the people within a day or two for their signatures. In the meantime, an open letter has been prepared by S. Gordon Hoffman under the direction of the group. It is addressed to the people of Aurora, the Aurora council and the Collis Leather Company, and is as follows:

While there has been in the past endless discussions of the bad odors which so often pollute God's pure air in our fair town, as far as I have been able to ascertain it has always been looked upon as a private company concern rather than a public problem, where each of us should be prepared to share in a public spirited manner. If we face this problem and join to predict we can and will lick this stench in a very few months' time.

The approach to a solution of our odor problem should and must be made in a spirit of complete harmony and co-operation. I understand the company has attempted to solve this odor nuisance and has spent considerable money upon schemes which have done little to eliminate these smells.

It is my opinion a way can and will be found for our town-wide problem, which I am sorry to say, is slowly but surely undermining the morale of the good people of our fair town.

How many times have you been awakened by past few hot nights with these offensive smells permeating your homes and gardens. Our minds rebel at these rude awakenings and many hours of much needed rest is lost to both ourselves and children.

I respectfully submit the time has come when both the company and we people should join forces in a wide open survey of the whole odor problem. I further suggest to the mayor and town council that a special committee of sanitation be appointed immediately, not next week or next year, but now. This committee of sanitation should be asked to make a full and comprehensive survey, a report of their findings to be presented to both the town council and the Collis Leather Company. This committee should be empowered to call in and employ outside chemical and engineering experts for advice so that a true picture of what is actually causing these stench may be had, as well as suggestions and plans from an engineering standpoint as to just what must be done for the elimination of these obnoxious odors.

The members of this committee should be instructed to make this survey without prejudice (Page 10, Col. 5)

### Receives Gift After Fire Loss

Aurora—A voucher from the P. M. Thompson furniture store is to be given to Mrs. W. C. Waite, Jr., this week to aid her in replacing furniture lost in the recent fire at her home. The gift was made possible through the members of the W.A. and the Guild of Trinity Anglican church in Aurora.

### CONSIDER HALL AS CENTRAL TOWN BUILDING

Newmarket—The advantages of adding to and renovating the town hall for a municipal building with town offices has captured the imagination of town council to the extent that it passed a motion to hire an architect last Monday evening to provide detailed plans and estimates.

"The present walls of the town hall are in good condition and are worth using," said the engineer, Donno Bosworth. "Renovation would probably consist of building a flat roof and putting a wing on the south side. Not many structural changes inside would be necessary," he said.

The new municipal centre would house the police station, fire hall, town clerk's office and garages under one roof. Tom Birrell, chairman of the property committee, said that it would make a great difference in present heating costs.

### Road Improvement Cost In Nkt. Set at \$160,000

Newmarket—An estimated \$160,000 would improve town streets to the extent of widening, constructing curbs, gutters and storm sewers and paving the existing narrow streets, according to the town engineer at council meeting Monday night.

A motion was put forth to get the approval of the Ontario municipal board to make the expenditure but it was put off until a future meeting. In the meantime there will be a meeting of the town finance committee when it is expected that a decision will be made whether such a project will come under a local improvement policy.

### J. C. Lee Awarded Bursary By Saskatchewan Gov't

Newmarket — J. C. Lee, a nephew of Frank Robinson and graduate pharmacist who will be with Murray's Drug store for a month, has been granted a bursary from the Saskatchewan Department of Health to attend the University of Toronto School of Hygiene course in hospital administration. The course starts in September.

Mr. Lee is a graduate of the Ontario College of Pharmacy and the University of Saskatchewan. He was appointed instructor at Saskatchewan last year. Mr. and Mrs. Lee were both overseas during the war. They are looking for rooms or an apartment in Newmarket.

### APPROVAL GRANTED

Newmarket—The town has received the approval of the department of health of Ontario to construct a sewer on D'Arcy St.

### Lions Carnival, Dance To Go On Tonight, Friday

Newmarket — The Lions club carnival will be held tonight in the Lions club park and the street dance will be held tomorrow night on Main St. after the postponement caused by the rain of Wednesday night.

The carnival will be held as planned at Lions club park where booths had already been set up before the rain came. The multi show, tent show will be the features at the carnival tonight. There will be bingo, games, novelty acts and the Newmarket Citizens' band will be in attendance. There will be cash prizes for dogs classed as

largest, smallest, best dressed, longest tail, shortest tail, best trick and fastest eating. Entries must be made on the grounds by 7.15.

Tomorrow night the dance along with the carnival will be held on Main St. Norm Burling and his Kingsmen will provide the music.

The Lions spent over \$10,000 on welfare work in Newmarket and district in the last year. Everyone is urged to attend tonight and tomorrow night to help the Lions help others. Their carnival and street dance is where most of the Lions' money is raised.

### Morton Bros. Seek Daily Bus Service Mt. Albert To Nkt.

Newmarket — Application to operate a bus line between Mount Albert and Newmarket by Morton Bros. of Newmarket and Mount Albert was supported by a motion at the town council meeting Monday night. Morton Bros. plan to operate a daily service.

The council motion said that a franchise held by Langdon Coach Lines for more than a year had not been used since buses had not been operating regularly and only on Saturdays for the last four weeks. The motion also indicated that Morton Bros. had considerable assessable property in Newmarket.

The Morton Bros. application will be heard before the municipal board on Tuesday, Aug. 23, at Queen's Park. This is the second hearing for the local firm. An earlier hearing was held in July when it was stated at that time that Langdon Coach Lines, King, which had previously held the franchise for over a year without taking action to initiate a service, was then prepared to begin service, but to date, that service has been on Saturday only.

The Morton Bros. application for the bus franchise was also supported by the East Gwillimbury council with a resolution which remarked on the Saturday service only of the Langdon Bus Lines as "a detriment to the businessmen of Mount Albert" and that a daily bus service would give "workers reasonable transportation" between the two centres.

The Mount Albert trustees also supported the application with a resolution somewhat similar to that of East Gwillimbury, noting also that Morton Bros. had a large assessment in the village.

The application for a daily service is also supported by the V.L.A. office "in the best interest of the community as a whole and particularly of value to the veterans who are located in that area and lack other means of transportation."

Additional support to the application is derived from three major industries in Newmarket, churches and the Mount Albert and Newmarket Legion branches.

### Parade, Dance, Games, Feature Legion Show

Aurora—This Friday and Saturday, Aug. 19 and 20, the Canadian Legion, Branch 385, Aurora, will present its fourth annual carnival and field day.

Reports indicate that this year's program will surpass those of all previous years. Once again an outstanding amateur contest is promised. To be held on Saturday evening, it is expected to exceed in length last year's contest, which provided 12 full hours of entertainment, and to at least match it in quality of performance.

Plans for this year's carnival also include a mammoth calisthenic parade on Friday. Expected to be well over a mile in length, it will feature three bands, a professional drum major, and two local drum majorettes, and between 40 and 50 floats representing local business and a pageantry of local and national events of history. All children of the area are welcome to take part in the parade with their decorated bicycles and tricycles and doll carriages, or in costume themselves.

The parade, which is scheduled for 6.45 p.m., will leave the new Legion hall on Yonge St. and proceed to the town park via Yonge and Wellington Sts. Following the parade girls' ball games will be held in the park.

Saturday afternoon will see six Toronto senior ball teams and two local teams competing as well as a Shepherd dog exhibition and a greasy pig contest. Saturday evening will see the amateur contest while featured Friday night will be a band concert by a band composed of members of the Aurora Boys' Band and former members of the Aurora town band.

During the two days, a large midway will be open at the town park. Featured will be kiddies' rides, bingo, various games and numerous concessions. A street dance is to be held both nights, a draw for ten radios to be held Saturday evening. The carnival is being arranged under the direction of Les Steadman. Master of ceremonies will be T. A. M. 'Ab' Hulise.

Anyone interested in entering a float in the parade is requested to contact Al Bobby, Aurora. All amateur entries are directed to Mrs. Elizabeth Bretz, Aurora.

### Flying Wing to Perform During Exhibition

National Research Council flying wing will be flying at C.N.E. along with the B.C.A.F. every evening from 6.30 to 7.10 weather permitting. This is the same wing flown from Eindhoven to Arras via Wimpfen, Germany and Malton in September, 1948. It will be flown to show a Dakota and will be piloted by Lt. A. G. A. Lee. Technicians in charge of wing will be A. L. Hurt and H. R. Bennett.

### GRANT \$25

Newmarket — Town council granted \$25 to the Newmarket baseball club on Monday night.

### Second Polio Case Reported to M.O.H.

Newmarket—The medical officer of health, Dr. L. W. Dales, said on Wednesday that only one case of polio had been reported to him this week, bringing the total of polio victims to two in Newmarket. The 22-month-old daughter of Mr. and Mrs. James Cullen, Denne Blvd., was the second victim.

She is at present in the isolation hospital in Toronto.

### COUNCIL, HYDRO TO MEET ON STREET LIGHTS

Newmarket—Town council decided to appoint a committee Monday night to meet with the hydro commission with proposals to carry out street lighting improvements. In July, 1948, the commission had made a survey of street lighting and made a report on its condition.

The move was prompted by a letter from the executive of the Lions club which asked for better lighting on D'Arcy St., the Lions park, and around the bowling greens.

One reason for bad street lighting in most of the town, it was said at the council meeting, is an inadequate type of socket. One-hundred watt bulbs give only 25 watts worth of lighting because bulbs are too far in the sockets, it was said. There were several comments about the voltage that Newmarket gets. "A person orders 110 volts and only gets about 80," one councillor said.

### SUBSTATION TO GIVE 60 CYCLES HERE

Construction is reported to be well advanced at hydro's new transformer station at Armitage, south of Newmarket. The station is scheduled to be completed in time to tie in with the frequency conversion program planned for next year in the areas directly north of Toronto between Thornhill and Sutton.

As conversion proceeds, according to Hydro Chairman Robert H. Saunders, the Armitage station will serve each changed-over area southward from Sutton and Island Grove through Keswick, Sharon, Newmarket, Potteryville, Aurora, Oak Ridges and Richmond Hill to Thornhill with 60-cycle power. When the final objective is reached, the entire district will be provided with greatly improved and augmented electrical services at the new frequency.

Up to the present, the districts between Thornhill and Sutton, contiguous to Yonge St., have been supplied with 25-cycle power from the Fairbank transformer station in the Toronto area. As the 60-cycle power sweeps southward in the wake of conversion, the 25-cycle power will become available for use in districts in Southern Ontario still awaiting conversion.

The Armitage station is "spotted" on the route of the 110,000-volt transmission line which carries power at 60 cycles from the Scarborough frequency changer station to Barrie for distribution in the Georgian Bay division. It will tap this line, passing on power, stepped down to approximately 20,000 volts, over short feeder lines to existing circuits, as they are cleared of 25-cycle current. To facilitate the conversion program, a temporary feeder line will be built directly across country to Newmarket—no great distance—where a new, permanent 2,000 kva substation will be erected.

The construction of this station will more than double transformer resources in the Newmarket area, since the present 25-cycle substation located there will continue to operate at 60 cycles after conversion.

Two banks of transformers will be placed in service at Armitage. Equipment will be three-phase with an original total capacity of 22,400 kva for 60-cycle power. One of the transformer units is of dual frequency type so that its 8,000 kva capacity for 25-cycle power will be increased to 14,400 kva when handling power.

### Expect \$30,000 Contributions Tax For The Balance

Newmarket—The council has approved of taking out debentures for \$20,000 for renovation and installation of artificial ice at the arena. A joint meeting of six councillors and the Ways and Means committee which has been working on the artificial ice fund since early spring, was held Tuesday.

Fred S. Thompson, chairman of the committee, said it was the committee's intention to raise \$30,000 for the ice installation and ask the town to debenture \$20,000 for building renovations. He told council that there is now approximately \$12,000 toward the fund with a very small percentage of the town canvassed.

Dewey Kuhns illustrated plans to council that would call for rebuilding the front of the arena with up-to-date steam heated dressing rooms and a new lower floor making a 6" step-off to the ice. The renovation of the arena would provide a reserve seat section on the north side of the building and would add 600 to

the seating capacity of the arena. Mr. Thompson said that the committee expects to collect \$30,000 and with the town's debenture, the total would be \$50,000 thus providing a modern arena for Newmarket.

He expressed appreciation for the council's co-operation in getting the plans underway. "The rink belongs to everybody and as long as we get the ice machinery installed, that's the important thing," he said.

The Canadian Ice Machinery Co. has already set aside machinery for shipment to Newmarket. As soon as the town passes the debenture by-law, which will be subject to the Ontario municipal board's approval, the company representative stated, it will go ahead on the installation. The by-law is expected to be put through council next Monday night.

Members of council expressed their appreciation towards Mr. Thompson and his committee members for their efforts they have put forth and offered full co-operation in the arena project.

### Traffic Victim Born, Raised In Newmarket

#### Critical Of Walk Laying, Up To Standards-Engineer

Newmarket—Criticism of the laying of sidewalks in Armitage Heights subdivision was voiced by councillor Charles VanZant at council meeting Monday night. He said that the walks were being laid on solid clay and that according to advice from a reliable authority, it was contrary to all correct methods.

In a few years they will sink and break," he said. "Sewers have been dug recently and the ground will probably settle under the sidewalks. I can't see putting them down that way if we are going to have to build them over in a few years," he said.

Town engineer Denne Bosworth said that the sidewalks were being laid according to the Portland Cement Association methods.

### MAKE PRESENTATION

Newmarket—The shopmates of Department 26 of the Office Specialty Mfg. Co., presented Frank Travis with a cream and sugar set of silverware in honor of his 40th year as foreman of that department.

Newmarket—Donald Fletcher, who was killed in a traffic accident at Langstaff on Monday, was born and brought up in Newmarket. The son of Mr. and Mrs. Lorne Fletcher, he moved with his family to Toronto at the outbreak of war when Mr. Fletcher enlisted.

Donald had gone to fetch a can of gas when the car he was riding in stalled. He was on his way back with the fuel when he was struck by a light truck driven by Clifford Legg. The gasoline exploded with the impact and Donald was thrown through the air, his clothing aflame. He crashed into the car in which he had been riding and dropped lifeless to the road.

The funeral service is being held today in Toronto with interment in Mount Pleasant cemetery.

Besides his parents, Donald is survived by two sisters, Jean and Marguerite, his grandparents, Mr. and Mrs. John Fletcher, Newmarket, two uncles, Herbert and Walter Fletcher, Newmarket, four aunts, Mrs. John Shier, Newmarket, Mrs. A. Worrille, Mount Albert, Mrs. W. L. Stone, Richvale, and Mrs. L. Fish, Weston.

### Say Hydro Workers Blame For Fire

Monday evening Mrs. J. F. H. Usher of King charged that Ontario Hydro workers were responsible for the blaze which ate through her woodlot on the sixth concession of King and swept into a 10-mile tract of prime timber on the farm of William Gillham. Mrs. Usher said that hydro men cutting a power line right-of-way started the blaze and allowed it to smoulder for three weeks.

Fanned by Sunday's winds, the blaze burst forth at noon Monday. Rushed to fight the fire were hydro crews from Weston and Kipling Avenue and the Aurora and Schomberg fire departments. The King town-ship bulldozer was ordered to the fire by Reeve Lorne Goodfellow and a hydro bulldozer was rushed from Woodbridge to help combat the blaze.

According to Reeve Goodfellow, he had called the Ontario fire marshal two weeks ago asking for help in putting out the fire. He claimed that he was told the Ontario government had no fire-fighting equipment available in Southern Ontario. The Usher woodlot, result of years of conservation efforts on the part of the family, was damaged to the extent of several thousand dollars. The fire was finally brought under control.

### Bugle Band To Open Sunny Hills Corn Roast

Newmarket — The Newmarket Bugle Band will officially open the Sunny Hills sub-division corn roast and dance on Wednesday, Aug. 24. Hosts of the evening, The Home Owners' Association, is holding the affair to raise funds to purchase playground equipment for a park which will be completed in this area. The entertainment will be held on the proposed site of this park, between Queen St. E. and Grace St.

A wooden floor will be erected this weekend for the dancing and already, great piles of wood are in evidence for the bonfire. Music for dancing is being provided by Don Gilkes and his 11-piece orchestra.

"A generous supply of corn is assured and every detail for a pleasant evening has been checked," reported George Phimister, president of the organization. The public is invited to attend this first annual corn roast and dance.

A grass and bush fire has been burning most of the week north of Holt. Volunteers have been working to put out the fire but it has started again several times. Fire-fighters have ploughed the ground around the burning area.

### NEW P.S. COST SEEN \$135,000 TOTAL \$160,000

Newmarket—Tenders for the new public school were opened at a meeting of the public school board with the architects on Monday night. Contracts will not be awarded until the architects, Murray Brown and Elton, have had an opportunity to thoroughly examine the tenders.

It is understood that the tender most likely to be accepted set the cost at slightly less than \$135,000.

It is estimated the completed school will cost \$160,000, some \$25,000 being spent on desks and equipment and for the purchase and improvement of the site.

The plans for the school and estimates were approved by the provincial department of education which pays approximately 50 percent of the cost.

### Motorbike Accident Cause of Injuries

Aurora—While riding his motorcycle last Sunday, Grant Wyatt, 17, son of Mr. and Mrs. Joseph Millet, Machell Ave., Aurora, was thrown to the ground. Apparently his bike hit a hole in the road which caused it to go out of control. He suffered severe bruise burns to his arms and slight concussion. He is at present confined to bed at home.

### GRANT SCOUTS \$350

Newmarket — Town council authorized an annual grant of \$350 to the Scouts for their camp on Monday night. Council also approved of making a grant of \$25, the annual grant for 1948 which had not been paid.

### FRACTURED NECK

### English Lad Ponders Future Here

Newmarket—For the past six weeks, Bob Griffiths has lain on a bed in York County hospital, his broken neck held rigid in a cast. For four of those weeks, he was paralyzed from the chest down. Now he can move his hands and arms, and his doctor, Dr. Crawford Rose of Aurora, thinks that in two weeks or so, he may be able to walk about.

But it will be a long time before Bob Griffiths can return to farming, the only work he knows. He has no other source of income.

Bob came to Canada from England six months ago. He had

been working on a farm near Victoria Square until his accident which happened when he dove into shallow water in Preston Lake.

He had come to Canada with high hopes. Canada was a land of opportunity. He was going to establish a home here while his fiancée, Dorothy Roberts, waited for him in England. As soon as he had become settled, he intended to send for her.

But that plan is out now. As soon as word was received of Bob's accident, Dorothy came as quickly as she could. She has a job at the hospital and is with

Bob every day, and her presence has helped him along the road to recovery.

Bob is a fairly young chap and he is keeping his spirits up but he is deeply worried. He must find a way to earn a living for Dorothy and himself but the job possibilities are limited by the nature of his injury.

Physically handicapped, homeless and jobless, cut off from help from England by currency restrictions, Bob is still determined to make a go of it in Canada. But how? That is the thing which worries him as he lies on his hospital bed.

# Volunteers Battle Day-Long Grass Fire

Willow Beach—Hampered by a lack of water supply, 100 volunteers and firemen from Queensville, Sutton and Keswick used scrapers, tractors, plows and shovels to check the flames of a brush fire that swept the Willow Beach resort area Saturday and Sunday.

The blaze broke out behind the Willow Beach ball park and fire-fighters thought it was extinguished on Saturday, but it broke out anew on Sunday.

The fire swept almost 100 acres of land, mainly on the farm of Dr. Harold Heffernan, and cut a two-mile path through pasture and brush. Favorable winds from the lake kept the fire from spreading to five blocks of summer cottages along the shoreline. Farmers and cottagers pitched in to help the firemen save the adjacent summer colony. Scrapers were concentrated on the pasture land by Crescent Beach road. Dirt and water were thrown on the fire and by Sunday night it was just smoldering.

Mr. and Mrs. Vern Armstrong, Toronto, are holidaying with Mrs. Armstrong's parents, Mr. and Mrs. J. Oliver, Sr.

Mr. and Mrs. McDermott and Mae of Toronto were weekend guests of Mr. and Mrs. Oliver.

Miss McDermott, a member of the Leslie Bell Choir, was guest soloist at the United church on Sunday morning and her two solos were very much appreciated.

Mrs. Hiron of Toronto spent the weekend with the Misses Harrison.

Mrs. W. D. Stokes has put her house up for sale and has gone to Belleville with her daughter, Mrs. Gordon Wagg. Because of ill health, Mrs. Stokes is unable to keep house. She will be missed in town as she has spent all her life here and was a great worker in the church and community.

Mount Albert Horticultural Flower Show is on Thursday.

## KETTLEBY

The deepest sympathy of the community is extended to the family and friends of the late Mrs. Tom Cutting who passed away suddenly on Tuesday evening, August 9, at the home of Mr. J. Lewis.

Christ Church Ladies' Guild met at the home of Mrs. H. Gritten, Potteryville, for the usual monthly meeting on Tuesday, August 9. It was a very hot day but we only had a cot quilt to do for one of our members, so we were able to take it easy. Our visitors were Mrs. Bracken and her two nieces, and Miss D. Church, all of Toronto. Mrs. Bracken had come to show us some pictures of India but unfortunately she left the projector at home so we are looking forward to seeing them at some future date.

Mr. and Mrs. R. Hunter spent a few days in London visiting their daughter, Mr. C. Lawson.

Mr. and Mrs. Jack Harmon attended the parade of "Black Knights" held at Orillia on August 12.

Mr. and Mrs. Ledingham and family of Toronto are holidaying on the farm of Mr. and Mrs. J. Harmon.

Service at Christ church on Sunday, August 21, will be at 9.45 a.m.

The Community Club met on Wednesday evening of last week at the home of Mr. and Mrs. Gordon Cook. Despite the busy time a goodly number were present. Final plans were discussed for the September 9 dance and draw to be held in the Parish Hall. Watch for the draw prizes to be displayed in Mr. E. Blatchford's store window.

Owing to the difficulty in obtaining an orchestra for the season's usual fortnightly Friday evening dances, it will be necessary, as far as the club now knows, to hold them on Wednesday evenings.

## HOLT

Mr. Seymour Hodge returned home Monday night after spending the weekend with his mother, Mrs. Lillian Bambridge, who is ill in Toronto Western hospital.

Mr. Jack Couch, Chicago, is spending a month's vacation at the home of his parents, Mr. and Mrs. Walter Couch.

## Editorial: Who Is Responsible?

By Our Kettleby Correspondent

A bush fire started at the rear of Mr. J. McLaughlin's lot on Monday, Aug. 8, where the new hydro line is being put through and by noon it had made a good start, so we phoned the council office and one of the members came out to see what could be done. The Aurora fire reels were sent for and came up, but their hose was not long enough to reach the creek at the corner of the 6th so they were unable to do anything. The same lack of equipment prevented the men from the Lands and Forests Department doing anything about it so the men beat out what they could and left watchers to keep it from spreading if possible, but by Wednesday it had covered a much larger area and so on through the whole week it was left to the few men who are cutting timber in the adjoining bush.

Mr. McLaughlin and his son and Mr. Haight and his two sons were up in their new home which is almost completed and which was the house most in danger unless prompt action was taken, as the wind was in the east and blowing in that direction.

Monday, Aug. 15, a whole week after the start of the fire, it has covered about 30 acres, burning the lovely maples, etc., and has ruined the bush on the two lots owned by Messrs. E. McLaughlin and H. Garland. We again phoned for help but the hydro men were working near and came in a body with shovels and a bulldozer which cut a swath partly around before it broke down. Had the Schomberg brigade and the Aurora brigade both had the same size hose they could have joined up and put the fire out.

However, Mr. Bob Saunders, hydro chairman, came down from Toronto to look the situation over, so now we expect action as none of our local men seem to be able to cope with it.

It's too bad that in a large township such as King our small holdings have to go up in flames for lack of equipment to meet our emergencies.

## Snowball News

Mr. and Mrs. Nash and daughter, Peggy, have been holidaying with their cousins, Mr. and Mrs. C. White and family.

The W.A. and W.M.S. met in the church last Wednesday with a good number present. Miss H. Webb conducted the W.M.S. and giving the devotionals and Mrs. C. White, a reading from the monthly. ## AT BROWNHILL FREE METHODIST CHURCH

There is something going on every afternoon from August 15 to August 21, especially for the children. They are calling all the boys and girls, small and large, to come and enjoy the object lessons. All the interesting things that are always done under the guidance of Rev. and Mrs. Bosko with such success, are being continued. This Bible school opens at 2 p.m. each afternoon and closes about 4 or 4.30, so from the 15th to the 21st, there is fun for the kiddies.

Mrs. Etienne Sedore has had several guests recently: Mr. and Mrs. Oris Merrill, Queensville, Mr. and Mrs. Andrew Sedore, Detroit, and Mr. and Mrs. Bill Sedore.

It is also to see Mr. and Mrs. Smith from Baldwin among the many guests at the ball games. Speaking of ball games, may we extend congratulations to the Zephyr team for being the winner at Queensville. Many from Brownhill enjoyed last Saturday at Queensville Sports Day. Congratulations to Mr. John Crouch who got the prize for being the oldest gentleman present. He is in his 93rd year.

Mrs. Evelyn Glodd is planning to return to her home next Friday.

Mr. and Mrs. Morley York visited the home of Mrs. Amos York recently.

Mr. and Mrs. Lorne Avery visited at the home of Mr. and Mrs. Roy Crouch last Sunday.

Mr. and Mrs. Ernest Thorpe, Jr., have returned to St. Catharines.

Brownhill is sorry to learn of Mr. Earl Cuthbertson's misfortune in getting his arm badly fractured.

Mr. Henry Nelson, we are glad to hear, is starting to recover after his accident a week ago.

Mr. and Mrs. B. Macnamara were up to their summer home here these past few weeks.

Mr. and Mrs. M. Egan visited at Brownhill last Wednesday.

## Many At Last Rites Of Traffic Victim

Richmond Hill — The funeral was held for Harold Deans, who died August 10 in an auto accident, Saturday at 4 o'clock from Wright and Taylor's Undertaking Parlor, Richmond Hill, to Aurora cemetery. Hundreds of his former friends and acquaintances said a last farewell and when the cortege left for Aurora there was a line of cars nearly two miles long.

Rev. McTavish, assisted by Rev. William Henbest, conducted the services. After reading the fourth chapter, I Thessalonians, at the request of Harold's mother, Mr. Henbest read an appropriate poem entitled *Thy Will Be Done*.

The pallbearers were Ross Humphreys and Jack Wernham, Mimico, Joe Morton, Earl Atkinson, Wallace Pegg and Leonard Thompson, all of Holland Landing. There were many beautiful floral tributes, including one large wreath from the neighbors and friends of the village of Holland Landing, and others from the church, Branch 426, Canadian Legion, Davis Leather Company and two sprays inscribed with his name from his family.

## P.O. School Fair To Be Held Sept. 9

## Garden-Graph

By DEAN HALLIDAY

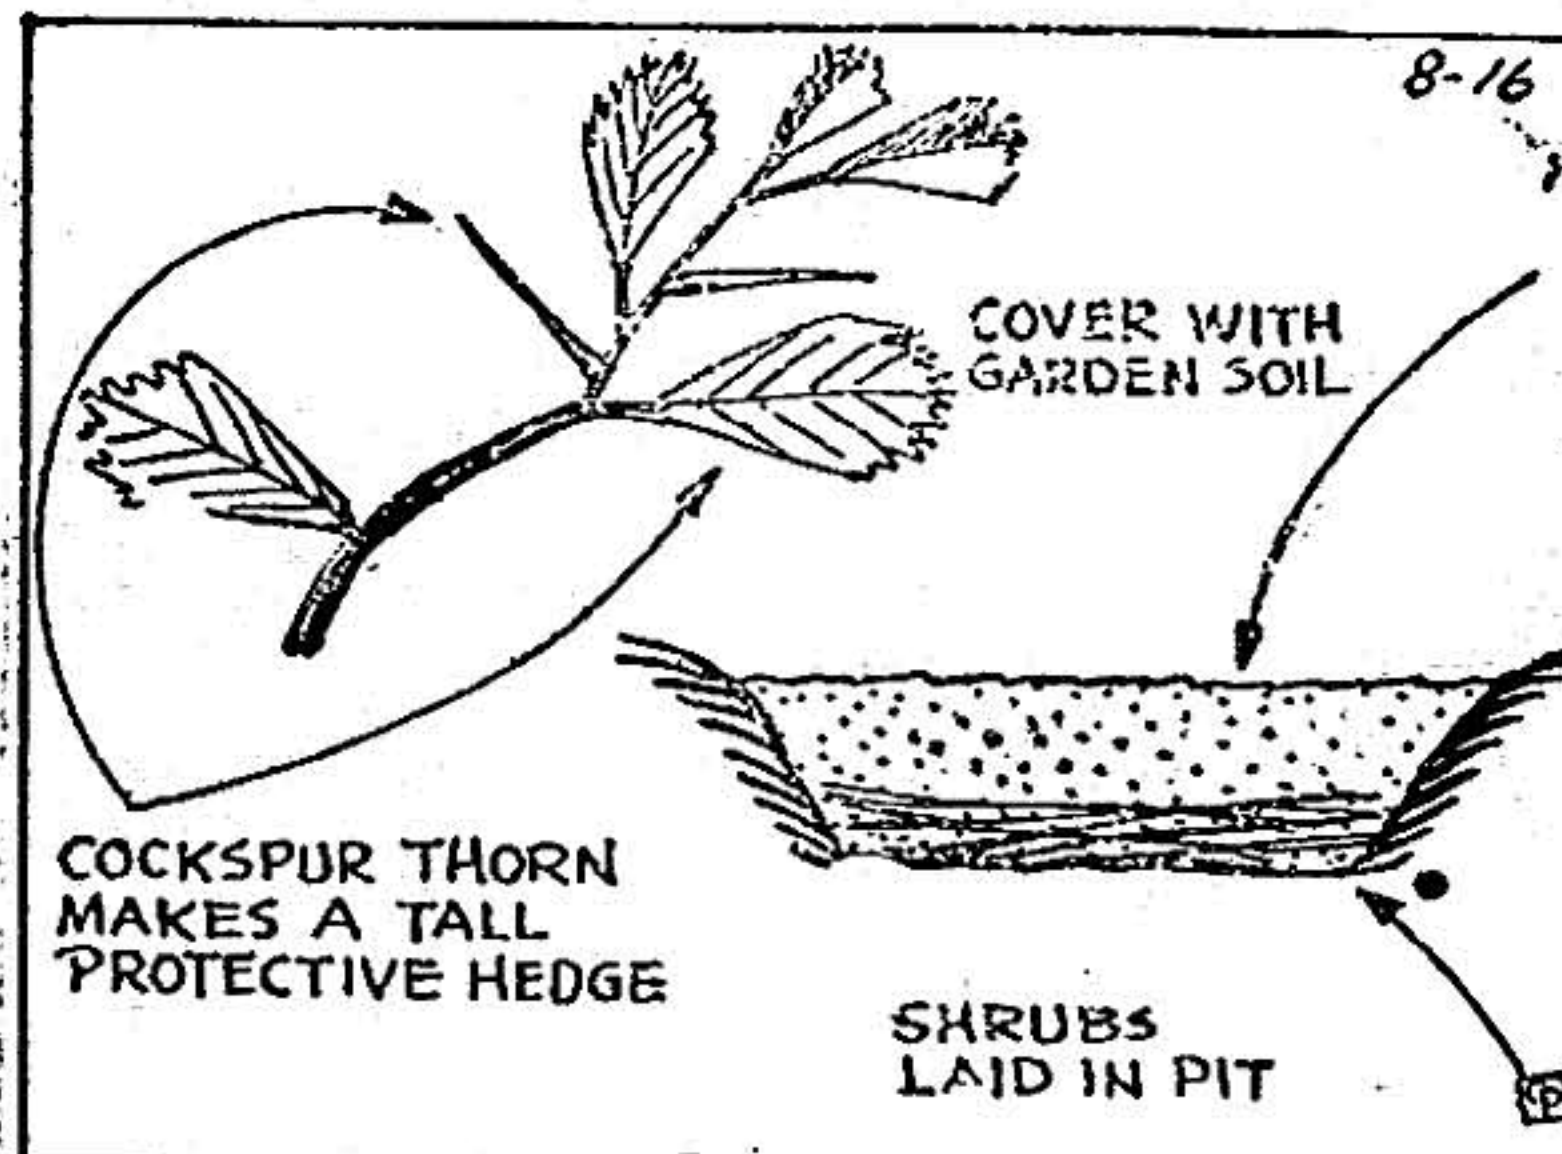

Released by Central Press Can. Hedges may be considered the guardians of the home grounds. They create a feeling of privacy and protection. More practically, they establish and maintain boundary lines.

Privet and barberry are the two most popular hedge materials, this because they are economical and hardy. However, the California privet is not hardy at extremely low temperatures, and in cold zones Amur and European privet should be used.

Where a hardy, thorny hedge is desired to help keep out animals, the hawthorns make a formidable barrier. In addition to being heavily thorned, they have good foliage. They are not particular as to soil and can easily be transplanted. When planting them, prune them severely on

the sides as well as on the top. Of the 900 kinds of hawthorns, the Cocksbur Thorn is attractive in flower or with red fruits hanging until winter. It makes a handsome protective hedge and may be trimmed to any height, from 3 to 30 feet. Its long, vicious thorns, which make a hedge of it impenetrable, are illustrated in the accompanying Garden-Graph. Young plants should be spaced four feet apart for hedge purposes.

If shrubs ordered from a nursery have been delayed in shipping and are dry and shriveled upon arrival, bury them in a trench, as illustrated. Cover well with soil and soak with water. Leave them for a day or week until they plump up again. This treatment enables both roots and bark to absorb moisture and greatly increases their chance of survival after planting.

## Extend Class List In Gladiola Show

The summer gladiolus show of the Newmarket Horticultural Society will be held in the town hall on Saturday, August 27. Open to the public from 2 to 10 p.m., the show promises to be one of the largest in history. The judge will be Horace Allison, noted "glad" grower of Brampton who will use the point system in judging as set down by the Canadian Gladiolus Society.

Besides the glads there are classes for asters, dahlias, petunias, phlox drummondii, snapdragons, marigolds, sweetpeas, zinnias and many other late summer flowers. In addition, all the classes, with the exception of the peonies themselves, from the peony show will be included in the August 27 exhibit. All entries must be made not later than 8 p.m., Friday evening, preceding the show and all flowers must be in before 10 p.m. of that evening.

A section for novices, those who grow less than 500 bulbs, consisting of over 40 classes is included in the show. Here is the opportunity for the beginner to exhibit his blooms and to gain information from the experts. The many classes on flower arrangement should prove popular with the ladies.

Other exhibits are being planned for the show, together with an interesting program. Particulars will be announced later.

### LADIES MEET

Newmarket — Senior Ladies' Aid and Missionary group will meet in the Christian Baptist church on Thursday, Aug. 25, at 2.30.

## HOFFMAN EMPLOYEES PICNIC

The employees of Canadian Hoffman Machinery Co. Ltd. and their families held their second annual picnic at Innisfil Park on Saturday, Aug. 13. Approximately 175 adults and children made the trip in two Gray Coach buses and cars.

In the afternoon, races were held for the children and adults. After the races were over Bill and Kay Arnott gave a thrill-packed performance of their magic to young and old alike.

After supper the men moved to the ball diamond where Jack Duncan's team defeated "Casey" Jones' team by a score of 11 to 6.

W. Hutchinson and R. LeShien were the horseshoe pitching champs. A launch was rented from Barrie and many people had an enjoyable boat ride on Lake Simcoe. Free ice cream, cold pop, hot dogs, milk and tea were served at the refreshment booth. The picnic was arranged by Hoffman's recreation council.

## PLEASANTVILLE

Master Kenneth Taylor, Cedar Brae, spent last week at the home of his uncle, Mr. Earl Toole, returning home on Sunday accompanied by his cousin, Master Stuart Toole, who is remaining for a few days.

Sorry to report the illness of Mr. J. Stickwood and Mrs. Geo. Hunt. We wish them a speedy recovery.

Guests over a recent weekend at the home of Mr. and Mrs. Wm. Glover included Mr. and Mrs. N. Gardner, Jr., and daughter, Le-one, also Miss Grace Purdy, all of Toronto.

On Thursday evening, Aug. 11, a family gathering of Milt Sheridan's and Clarence Atkinson's was held at the latter's home, Bethesda, the occasion being a birthday anniversary on Aug. 12 for Mrs. M. Sheridan and on August 12, a birthday anniversary for her sister, Mrs. C. Atkinson. Several of their brothers and sisters and their families were also present.

Mrs. Harvey Kennedy, Toronto, was a weekend guest at the Greenwood home.

Mr. and Mrs. Doug McClure and son, Roger, and Miss Joyce VanLuvan had Sunday dinner with Mr. and Mrs. David Coates, Sharon.

Mr. and Mrs. A. Colville were Sunday dinner guests after church with Mr. and Mrs. Elgin Evans, Sharon.

Mr. and Mrs. F. Glover, Toronto, were Sunday guests at the home of their son and family, Mr. and Mrs. Wm. Glover.

Mr. and Mrs. Herb Paul and family of Bogartown enjoyed a week's holiday at Waubashene.

How quickly summer seems to be drawing to a close! In spite of the heat, now and again you feel a touch of fall in the air at night. That, you know, is characteristic of this time of year—hot days and cool nights—which will make it unsafe from now on, no doubt, to go anywhere in an evening without a wrap. I say "no doubt," for as the old saying goes: "All signs fall in the dry weather." The late summer flowers are all in bloom, especially the Golden Glow, my name-sake, and it is beautiful (Perhaps not to those with hay fever. I hear they avoid it!)—and besides the many colored perennial phlox and gladioli are all the wonderful annuals.

Do you recall my telling you, earlier on, to watch Mr. Baker's garden, at the corner of Church and Botsford Sts. If you do not live in the middle west of our town, and are not familiar with those streets, let me add more directions so you can find it. It is across the corner on Church St. from the Friends' Meeting House. If you want to see something unique and pretty, pay that garden a visit. All the annuals are in flower, and it is a blaze of beauty. I told you he had laid it out symmetrically with cypress all 'round the outside, which later in the fall will all turn red. Just now is it a delicate shade of green, and it forms a hedge 'round the flowers. In a pattern, with a lovely red canna in full bloom in the centre, are rosy morn petunias, around the edge are asters of every hue, shaggy, fluffy China asters, and zinnias of every shade. But it has many other attractions as well, and anyone who remembers that desolate corner of a few years ago will say he has literally "made the wilderness to blossom as the rose."

While you are on Church St. take a look at Mr. Gilroy's garden, especially the row of French marigolds and across the road at Rev. F. M. Brunton's garden next to Lions Park, with the lovely Virgin Bower clematis all over the front porch, the verandah-boxes full of bloom and the pleasant, inviting garden at the north side with the shady trees, and the comfortable lawn-swing at the back.

Then go on up Church St. a little farther and see Mrs. Ralph Boag's beautiful garden. I know she would give any flower lover a warm welcome. I was there again the other day to see a new variety of lily in bloom. "Creelman Lily," she called it, and it was one of the most beautiful lilies I ever saw. The bloom must have been five or six inches in length, with four or five on each stem. Do you recall me telling about her flowering crab that was a mass of pink bloom in the spring and early summer—well now it is a mass of tiny green crabs. Mrs. Boag still has roses in bloom, and plenty of other flowers to gladden your heart.

Still coming north on Church you come to Mr. and Mrs. Wilnot Lundy's, and Mrs. Gowland's 'round the corner on Park—always flowers in their gardens. But in Mrs. Lundy's, there is a tall pole with a cute bird-house on top, and up the pole are heavenly blue morning glories—very soon the bird-house will be lost in a mass of foliage with those beautiful morning glories covering it.

Come up Park Ave. and go north on Victoria Ave. and you'll see another lovely garden full of flowers at Mrs. Charles Stickwood's, with a dainty bird-bath as well. Then on up Millard Ave. and you'll find another bird-bath at Mrs. Eugene Cane's and another lovely garden too.

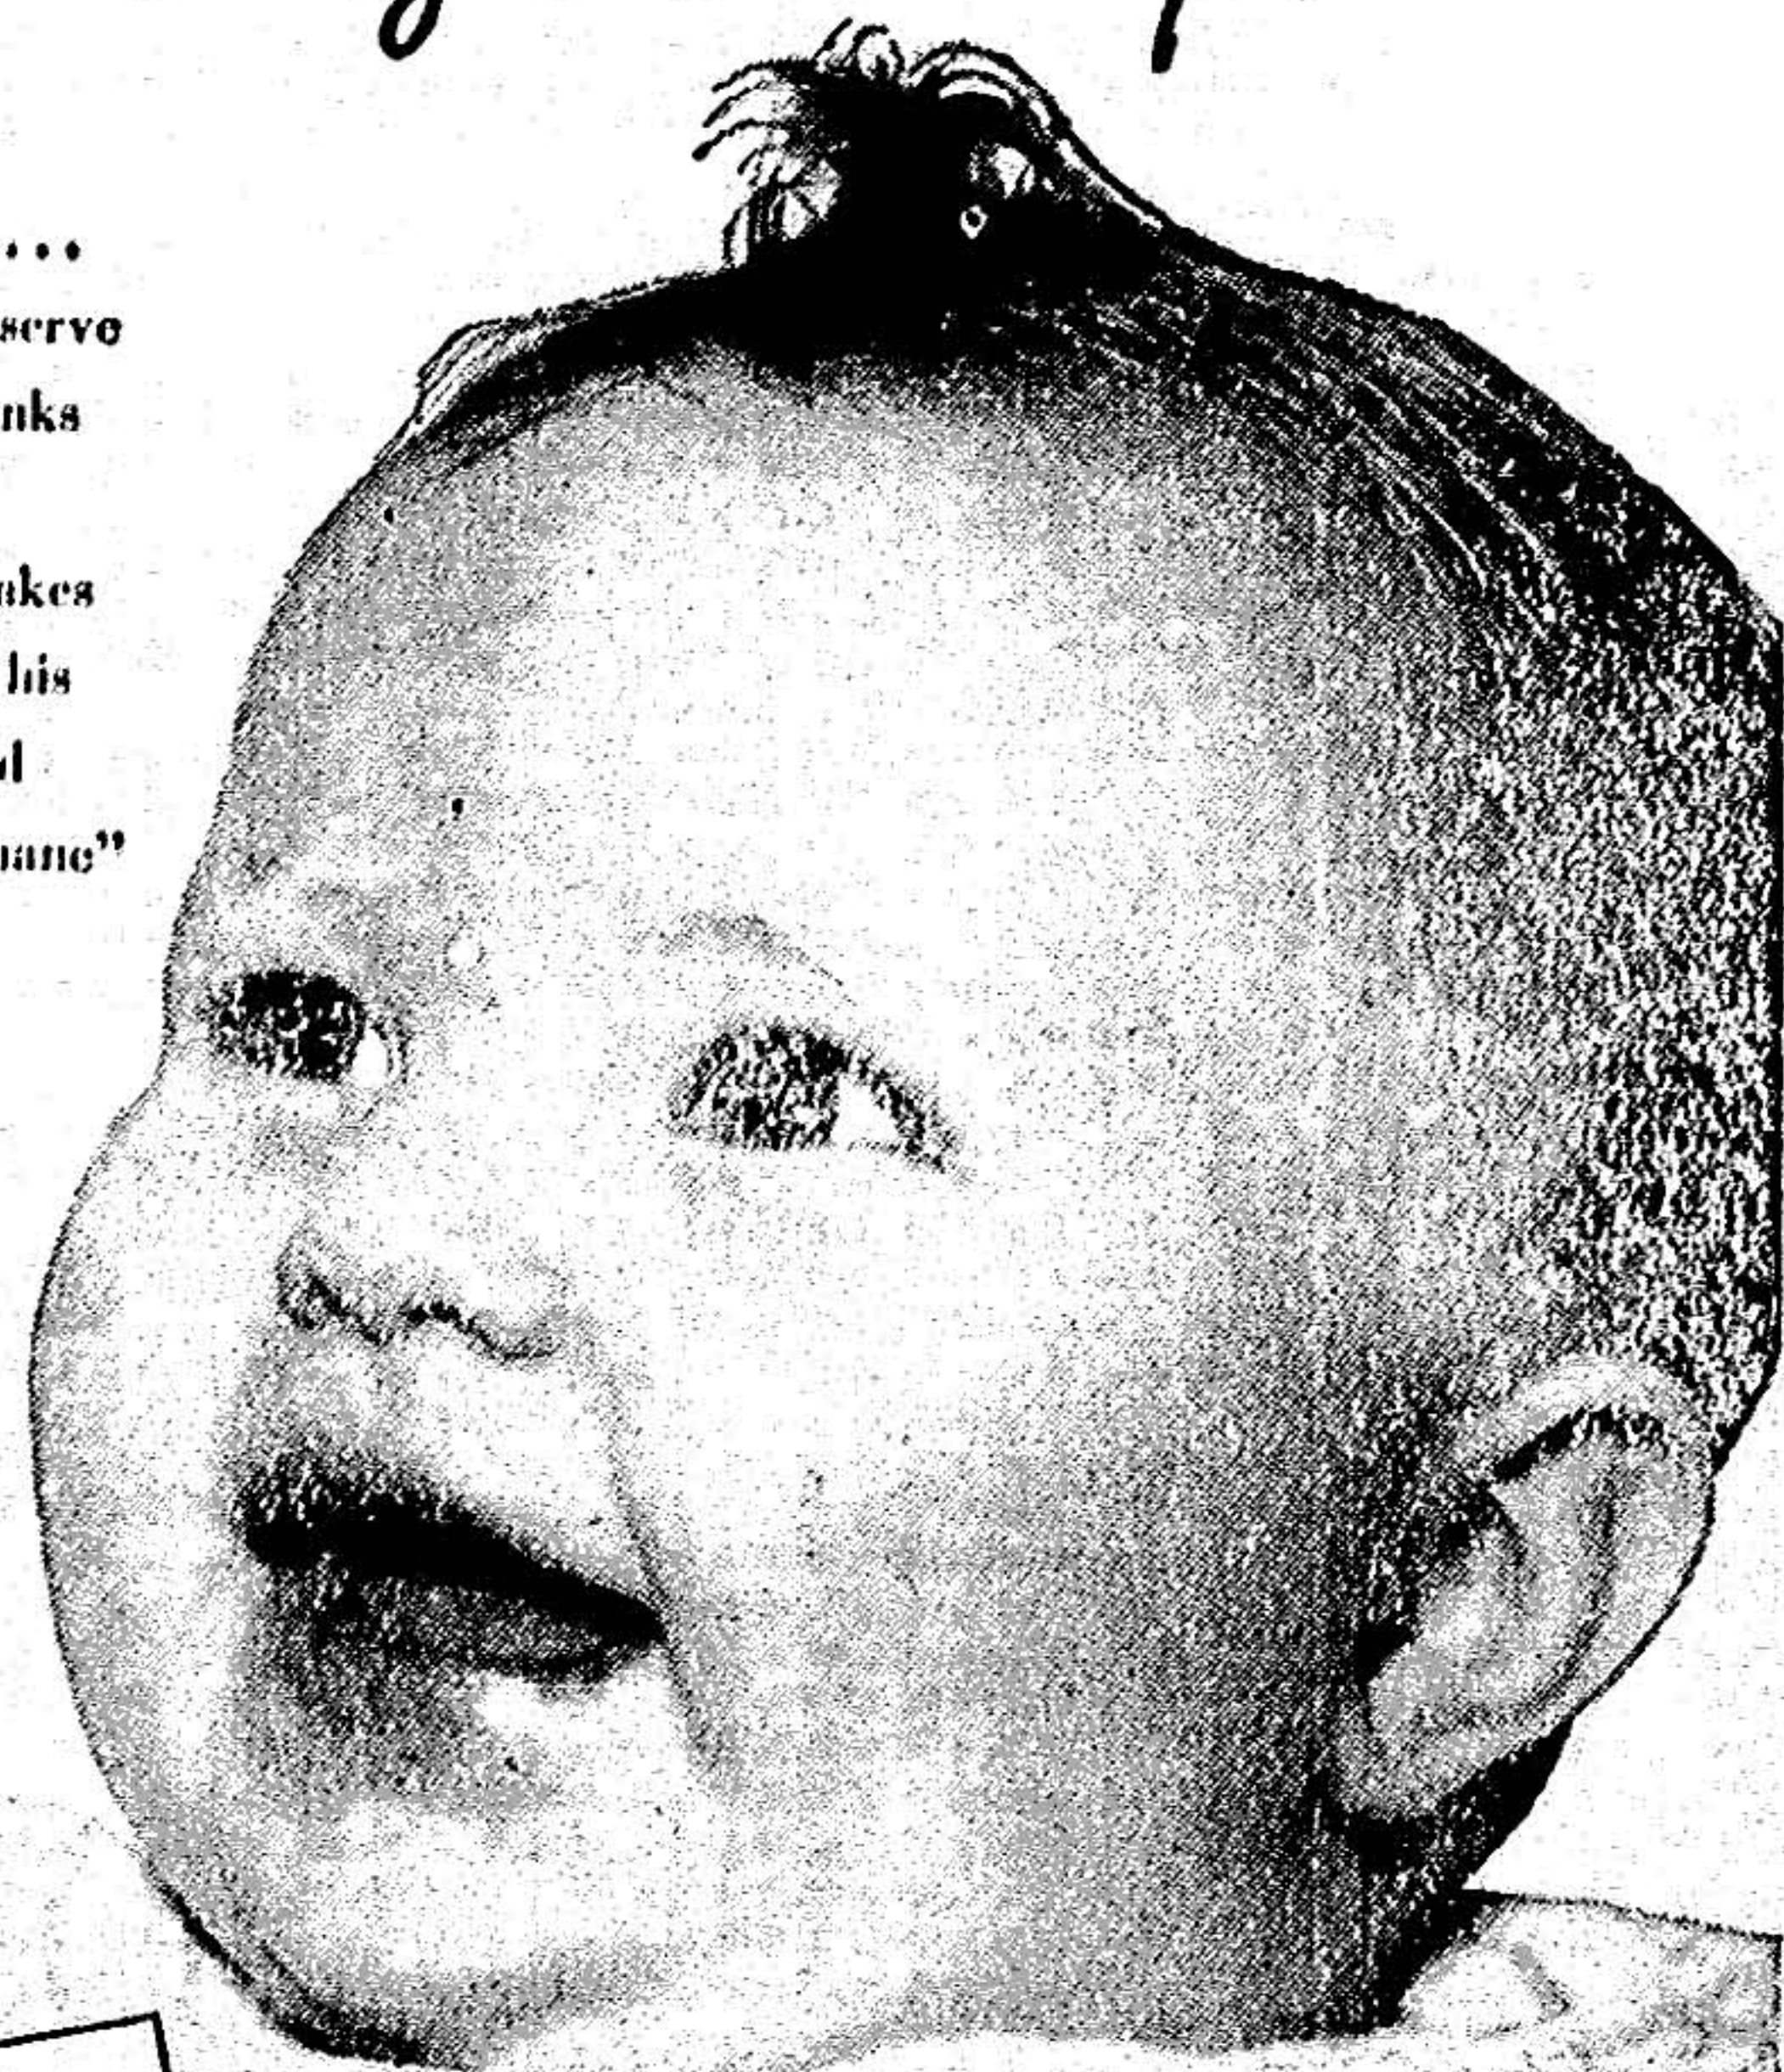

Telling of bird-baths reminds me of the blackbird family I have around here. Really they are such fun, those blackbirds. I know lots of people dislike both them and the sparrows, but I have heaps of them come here to drink and "have a swim" in my bird-bath as well and I do enjoy them so much.

The robins are getting scarce, and soon nearly all will have left for a "vacation" up north, having raised two families and needing a holiday! But the blackbirds—there seems to be the parents with the beautiful iridescent feathers 'round their throat, and jetty black, the family rushing here and there to make sure they get their share of the food I put out—and several others—sort of poor relatives or something—but the one that really is smart and makes you laugh, is a rusty old fellow, Grandma maybe, or Grandpa!

Anyway it is boss and makes the others step around, which they do without any protest. She also bosses the sparrows, who "horn in" on their feast. She runs at them and gives them a sharp smack with her beak.

Pages from the Editor's Notebook

We spent Saturday afternoon at Queensville where as an experiment, we had a "news service", a booth where we hung out news bulletins on the races and other events and generally tried to meet as many people as possible. It was a thoroughly enjoyable afternoon and we did learn a few tricks of the business of operating a booth. We had made preparations for a covering in event of rain, but we had not thought of the need for shade so that we were baked a brilliant red by the time the day was over.

What we saw at Queensville convinced us that while physical advantages of site and facilities mean much in the growth of any community, unless there is a hustling community spirit, no community can progress. Queensville has that spirit, and we would imagine Mount Albert has it too. We cannot speak from firsthand knowledge of the latter but the fact that Mount Albert had its 25th Sports Day this summer indicates that its residents are wide awake to opportunities to improve their community.

Queensville's accomplishments are really remarkable when the short space of time in which they were done is remembered. In something over two years, a park has been purchased in the centre of the town, and the arena moved to it, enlarged, and improved by a hard floor which will permit year round use. The whole job has been done by the community and financed by individual effort and community events like the sports day.

Another centre where a community spirit is active is Keswick where a memorial centre is underway and an Optimist club established. In Schomberg, a good part of the population pitched in to provide floodlights for the ball diamond. These, and there are others, indications of community effort contrast strongly with the attitude in Newmarket where the path to accomplishment is thorny with frustration.

Perhaps it's a matter of size. There are individual groups in Newmarket which have done wonders, and which in a smaller centre would assume the stature of a thorough community effort, but whose accomplishments in Newmarket are somewhat obscured by the size of the place. Community leadership is more recognizable in these smaller centres than in the larger, again because of size. There are individuals in Newmarket, organizations who have contributed much in time and effort and again, whose contribution is minimized by the size of Newmarket.

It is not detracting from the fine accomplishments of many Newmarket organizations and individuals that there seemed to be a sense of accomplishment about Queensville's sports day which was refreshing.

From the Files of 25 and 50 Years Ago

Over 1,000 people were present at the hospital garden party held on Mrs. Bacque's lawn, according to the files of 25 years ago. The tables for supper accommodated between two and three hundred at a sitting. The midway was a great attraction and included a shooting gallery, wheel of fortune, weight guessing, fish pond for the children as well as a "mystery man" and fortune teller. Fred Smith conducted the drawing of the donated prizes assisted by Miss Shirley Gilman.

Miss Frankie Jones left on Tuesday to attend the Wembley Exhibition in England.

Miss Marion Hogarth, Toronto, gave an aluminum shower in honor of Miss Laura Morning, a bride of this month, and Miss Bertha Ferguson, King, entertained at a miscellaneous shower.

Mrs. Hannah Rogers Bundy, Carthage, Indiana, daughter of the late Levi Rogers, is visiting Mrs. Sarah A. Rogers, Huron St.

Good market last Saturday. Butter, potatoes, chickens and raspberries were down in price. Butter was 30 to 32 cents a lb., eggs 30 to 35 cents a doz. Spring chickens sold for 20 to 25 cents a lb. and raspberries 12 1/2 to 15 cents a box. Green beans were 25 cents a basket, potatoes 25 cents a peck and beets, carrots, radishes and onions, three bunches for ten cents.

Alderman Wes Osborne and Chief Fred Doyle are attending the firemen's tournament in Quebec City this week. Miss Lura Lewis, Queensville, leaves next week for Saskatoon to resume her duties in the public school.

Miss Elizabeth Lewis of the Hospital for Sick Children, with her brothers, Bruce and Robert, motored to Macedon Centre, N.Y., and enjoyed a short holiday, the guests of Mr. and Mrs. B. Hance.

Last Saturday afternoon the first passenger car came over the trolley to Newmarket, according to the files of 50 years ago. J. W. Moyes, manager of the road, acted as motor-man. Mr. John Blizard was the first to purchase a ticket from Newmarket to Toronto. Service opened Saturday evening with five cars each way.

Alderman J. E. Hughes of Pyramid Lodge, Newmarket, has been appointed District-Deputy Grand Master of the I.O.O.F. for North York.

A good market last Saturday for this time of year. Butter was scarce and from 18 to 20 cents was paid. Eggs were plentiful and 12 cents a doz. was the ruling price. Apples were from ten to 15 cents a basket and blueberries seven cents a qt. Red plums sold at 35 and 40 cents a pail, green corn was scarce and the price raised to 15 cents a doz. Pickling cucumbers were 25 cents for 100 and ripe tomatoes 40 cents a basket.

Mr. J. E. Hollingshead, mathematics master at Newmarket high school, returned home last week after spending his vacation at Port Stanley, London and other places in western Ontario.

Mr. W. H. Lloyd, Pine Orchard, reported at the office last Saturday that he had oats 6' 5" high and corn 11' 2" high. Over 700 loads of earth have been used in terracing the grounds of Lawyer Widdifield, overlooking the main part of the town and it will take 300 more to complete the job.

Mr. Reid Lewis, Queensville, has erected his chopping mill at the south end of the village and will soon have it ready for business.

The ladies of the Christian church at Keswick are holding a peach festival on Wednesday on Mr. D. H. Sprague's lawn. Among those taking part in the program from Newmarket are Miss Oliver, Messrs. Knowles and McKay. Mr. Erasmus Jackson is to be chairman.

The Editorials:

Toronto Police Must Also Co-Operate

The day after the Layng murder, Newmarket police were asked by the Toronto police to look for two suspects. Shortly after this request, the men were located, questioned and released. The Newmarket police were still watching out for these men ten days later because the Toronto police did not bother to inform them the suspects had been located.

It has been the same in the McKay murders. The search for evidence was intense in the immediate district. Newmarket police might have been able to assist. The Newmarket police, however, were not informed of the progress of the Toronto force. What they know of police action in the Layng and McKay murders, with the exception of the request to locate two suspects, is confined to what they have read in the newspapers.

There has been considerable discussion of the need for a metropolitan police force which would include not only Toronto but the surrounding municipalities. The argument is that such a force is necessary to ensure consistent policing in the whole Toronto area. A metropolitan force would no doubt achieve that purpose but at the expense of municipal control, a loss not offset by the gain to the police.

What is needed, as the experience of the Newmarket police bears out, is better liaison between police forces. In Newmarket, county and municipal police work well together. There is no reason why this co-operation should not be extended.

However, co-operation must work in two directions and while the Newmarket police were willing to assist Toronto police in their search for two suspects, it was hardly in the same spirit when the Toronto police failed to notify Newmarket the men had been located. There is in this incident a suggestion of an arrogant attitude towards the small municipalities, the same attitude which now prompts this talk of a metropolitan force regardless of what local rights are lost. The advantages of a metropolitan police without its shortcomings could be had if the Toronto police returned the co-operation they demand of the small municipal forces.

Exercise Eagle

Exercise Eagle was the code name of a recent joint air force and army manoeuvre in the Peace River district. Exercise Eagle was intended to bring out flaws in Canada's defence arrangements. As such, it was embarrassingly successful. Most obvious flaw was the lack of modern aircraft. There were others. These flaws, however, can be remedied. What troubles the public is that flaws can exist in such profusion in the present state of international tension, and after the expenditure of some \$700 millions for defence since the end of the war.

Nor is public anxiety eased by the attempts of defence officials to whitewash what was advertised as one of the largest peace-time exercises in Canada by an official recapitulation which described the exercise as a small scale affair, on "battalion level".

The defence of Canada from invasion has been for most Canadians a somewhat academic consideration. Geographic factors and the weight of the United States have been accepted as adequate protection. Even the increasing truculence of Russia, just over the pole from us, has occasioned little more than a passing concern. Such carelessness is appropriate to the public but it looks poorly on the men whose job it is to judge these matters and act accordingly.

Canada is athwart the land and air route from Russia to the United States. Siberia is unpleasantly close to Alaska and Russia is known to be massing men and material there. If Russia were to attempt the invasion of United States, it would by way of Canada's north-west. We have been accustomed to looking eastwards for threat to our security but the facts of geography do not permit that luxury any longer, nor do the facts of modern warfare permit complacency in our defences.

If we are to rely entirely upon the United States for our defence, let us put to other uses our current defence estimates of some \$350 millions, and have done with the apparent inefficiency of our defence establishment. If we are to have our own defence force, let it be equipped with the best there is. But either way, let's have some indication of policy instead of making ourselves look foolish with Exercise Eagles.

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

Old Cemeteries

If Sharon cemetery had been maintained in a manner respectful to its history, we doubt if it would have been invaded by vandals. Its unkempt appearance, its atmosphere of abandonment, invite the attention of the irresponsible. There is nothing to encourage respect where obviously no respect has been shown.

Sharon cemetery is not the only cemetery which has become an eyesore in this district. The old Anglican cemetery on the outskirts of Newmarket, the Hickside Friends cemetery on Yonge St., the Selby Burial Ground north of Sharon are all landmarks of varying historical interest but sharing the common fault of neglect.

Just whose responsibility is the upkeep of these cemeteries is a matter for conjecture, and has no doubt been vigorously debated through the years. There have been attempts to interest the public in their maintenance but the public has been indifferent. Individuals have tried the task but found the effort beyond their means. Year after year the appearance of these cemeteries worsens with apparently small concern for it.

These cemeteries could hardly be restored now, even if the funds were available. The names on many of the markers have been effaced by the passage of time; the location of the graves obscured. Sentiment would be satisfied and the landscape beautified if the cemeteries were levelled, the grounds turned into a park for a single marker carrying the names of those buried there (as near as they could be ascertained) and a history of the site.

East-West Bus Service

The Newmarket council on Monday night supported by resolution the application of a Newmarket firm for a franchise to operate a daily bus service between Newmarket and Mount Albert. The resolution noted that a franchise had been granted another coach line more than a year ago, but that only in the past four weeks has there been any service, and that on Saturdays only. The initiation of a Saturday service was coincidental with the application of the Newmarket firm.

East Gwillimbury council, Mount Albert police trustees, and other public bodies are supporting the Newmarket firm's application. This is as it should be. While there is reasonably adequate north-south bus and train service, there has not been an east-west service excepting the Saturday service so recently initiated. This has been the occasion of much inconvenience to the people of the district east of Newmarket.

The unemployment office, the V.L.A. office, customs, court and legal offices, the registry office and hospital, all of them agencies for the public, are located in Newmarket. Those living east of Newmarket are at a disadvantage in their use unless they possess their own transportation. Additionally, there are the difficulties of making north-south train and bus connections without east-west service.

A daily bus service extending east from Newmarket would increase employment opportunities for residents in that area, with a resulting increase in their purchasing power to the advantage of the whole district. Purchasing power would be kept closer to home too if instead of going to Toronto for major purchases, as Mount Albert people now must do, they had the alternative of going to Newmarket.

Municipal Building

If the town hall can be converted into a municipal building in which would be housed all municipal offices, it would represent a great saving as well as encouraging greater efficiency in administration. An initial examination of the building shows it to be sound in construction, and there should be little difficulty in adding a wing to the south to provide adequate accommodation.

Use of the town hall will permit the sale of the present town property at Main and Botsford, and an end to the firehall which is an eyesore. The town hall has adequate parking facilities, and a central location, and if it can indeed be used, will provide the town with a long needed building at comparatively low cost.

Members of council appear enthusiastic over the proposal and have taken the first step, a resolution to retain an architect to prepare plans and an estimate of the cost. We believe they have the support of the town in this project, and with that assurance, they will not delay in proceeding with it if feasible.

Office Cat reports Catnips By Ginger

While reading some of the English prints we came across something delightful wrapped up in a column called Sitting on the Fence by Nathaniel Gubbins in the Sunday Express. It seems that Nat's cat, Lottie by name, has engaged the attention of the Soviet top brass as will be seen from the following from Cat Commissar Mogsky:

"From its agents in the United States of America the Politbureau has obtained details of correspondence which has passed recently between you and the American cat, Manhattan Mouser," writes Mogsky. Mogsky then endeavors to correct all Lottie's impressions of America.

Manhattan Mouser mentioned luxury ash cans in New York where a cat can find sardine tins half full of sardines. In Russia, it would be regarded as criminal waste and those responsible would be sent to the Siberian mines, according to Mogsky. "In glorious mother Russia, there is nothing in ash cans but ash," says Mogsky.

Mogsky charges that Manhattan Mouser refers to Lottie as his "honey cat" and "sugar puss". Such a cat in Russia would have to appear before the Commissar of Culture who would point out that such terms refer only to the foods honey and sugar.

In Russia, says Mogsky, a she cat is not admired for her chassis but for her kitten output and the number of mice caught in a year.

Frankly, we don't think Cat Commissar Mogsky is at all convincing. If anything, Mogsky has done much to make us dream of New York ash cans and Broadway "honey cats". In fact, if we can get in touch with this Manhattan Mouser we will surely go to that city and spend a gay weekend.

What is a communist? One who hath yearnings For equal division of unequal earnings. Idler or bungler, or both, he is willing To fork out his copper and pocket your shilling.

— says Ebenezer Elliott (1831)

Did you know that there is a cat population of 100,000 in Toronto and that last week 300 died? Feline enteritis killed 'em. It's some kind of a disease that hits a peak epidemic in the summer so I am staying out of any city crowds until it gets cooler.

Your Morning Smile has used the same joke twice this summer. They must think that it's pretty funny. We don't think it is, particularly.

It's: "Have you ever noticed how a woman always lowers her voice when she asks a favor?"

"Yes, and raises it when she doesn't get it!"

We have found that Isabella begins with an outright blast, gets what she wants and retires purring sweetly. She pulls no punches, her.

by "Back Concession" The Top Six Inches

The government announced that coarse grains would be marketed by the wheat board. This meant, or at least the farmer thought, we would return to what we had in the war years: that the price of grain would be posted each day. Some suggest that this would let the grain exchange clear out last year's crop. It might mean that the grain buyers in the east could buy and speculate and we would still have the fluctuation of prices. There are plenty of questions asked with no answer.

One thing we farmers are sure of, is that we want to get away from speculation in the nation's food supply. There are those who think they have the right to challenge the government action in removing the coarse grains from the exchange. Why should a few people think they have the right to increase the cost of our food? A bushel of wheat is good for so many loaves of bread and so much mill feed. One ton of oats and barley of the same grade will produce so much beef and pork. A bag of potatoes or a bushel of vegetables will give so many meals. We know that there is shrinkage in grain and some waste in handling and storage. The waste and cost of storage is higher in vegetables and potatoes and the consumer must pay for this loss.

But why should anyone or group be allowed because they have some money, to buy food supplies and hold supplies off the market until they force a raise in prices? When the crop is out of the farmers' hands the price is always forced up. When the war was on the government took control of grain and levelled off a price and set a price for livestock. The farmer produced a record for all time in livestock for Canada.

It may be that someone saw the dollar shortage and returned to the grain exchange to stop production. Another thing that we are sure of is that when the grain exchange took over there was \$22 per ton advance in grain prices. The price of pork did not advance for eight weeks. This did cut out production and we find today that we are not producing enough pork to meet the domestic demand. Our feed bills show \$3.50 per ton difference in four months and at the same time pork prices fluctuated \$5 per 100 lbs.

We cannot expect the farmer to be too pleased to work under these conditions. Some complain that the federation of agriculture is not doing enough for the farmer. The average cost per farmer in Canada to support the federation is 87 cents a year, while the average cost for the industrial worker for union dues is \$18 a year.

The farmers in the past have been maneuvered into a very unfavorable place. We did while the war was on, have good working conditions—prices held steady for both buying and selling. What we had once we can have again.

By way of a check up on ourselves, how many farm meetings or farm forums could you attend but did not? Do you think that you could learn more at a card game or a hockey match than at a farm forum? All a forum can hope to do is to make people think. Farmers want some kind of stability in prices. We need more funds for our federation. We can't expect very much for the price of one picture show. There is a parlor game called Silly Questions and Funny Answers, amusing and laughable. We work under a queer system with strange actions and if it were not so serious it would also be amusing and laughable. It looks much as if the farmer is going to be rear rank troops again. Cheerio.

## Grass Fire Threatens Farm Buildings

Queensville—A grass fire came close to burning some farm buildings on Monday when a burning brush pile spread into the fields at Jim Cunningham's farm at the north end of Queensville.

A general telephone alarm was sent out and shortly over two dozen volunteers were fighting the blaze with wet sacks and shovels. Before the fire was out it had spread over one field and over the top of the hill west of the Lake Simcoe highway. One volunteer on a tractor from the Wilson farm east of Queensville prevented the spread of the fire by ploughing at high speed all around the fire. He cut a double furrow between one building and the fire when the grass was burning ten feet away.

At the same time another bush fire was burning east of Queensville between the 6th and 6th concessions. Some of the volunteers from the Queensville fire drove out to help fight it.

## Tour Of British Isles For Plow Contest Winners

A four weeks' tour of the British Isles with all expenses paid will be awarded gold medal winners in both the horse and tractor plowing "Esso Champions Trans-Atlantic" classes at this year's International Plowing Match, V. C. Porteous, president of the Ontario Plowmen's Association, announced today.

The 1949 International Plowing Match is being held at the farm of H. W. Amy, ten miles west of Brantford, Ont., October 11-14. The plowmen's annual classic will be officially opened on October 12 by Brig. O. M. Martin of Brantford. Premier Cecil Frost of Ontario will be the guest speaker at the banquet marking the close of the match.

Second prize winners in the Trans-Atlantic classes, which are sponsored by Imperial Oil, will each receive a silver medal and \$150 in cash. Twelve other cash prizes totalling \$165 will be awarded in each class.

Those qualified to compete in the tractor class include all "Esso Champions Special" winners at Ontario Plowmen's Association branch matches and all plowmen from other provinces. Medal winners in this class at previous International Plowing Matches will not be eligible.

In the special horse-drawn plow class all plowmen who qualified at branch matches after October 17, 1947, and plowmen from other provinces are qualified to compete. Medal winners in this class in previous years are not eligible.

During their free trips to the British Isles the gold medalist will visit plowing matches, study British agriculture, and see historic sites. They will be accompanied by a manager appointed by the Ontario Plowmen's Association. The tour, which includes a short stay in New York, will take about four weeks.

## East Gwillimbury Rate 32.9 Mills

East Gwillimbury council held the second adjourned meeting for the purpose of setting rates for the 1949 taxes. The budget as presented by J. L. Smith, clerk, showed an increase. The clerk explained that the township was charged with a double high school tax. The newly-formed high school district tax amounted to \$5,051.85, which requires a rate of 2.6 mills, and the cost of county pupils for the year 1948, which is included in the county levy, amounts to \$5,981.33. This makes a total of \$10,997.23 to be raised this year for high school purposes.

The total tax rate for 1949 amounts to 32.9 mills.

The total rate is made up as follows: roads 10.6 mills, general school grant 5.9 mills, county 2.6 mills, high school 2.6 mills, relief and hospital 2 mills, general 3 mills.

The East Gwillimbury Board of Health has requested the department of health to give suitable plans for the installation of septic tanks.

The road expenditure appropriation was increased to \$39,500.

The following accounts were passed for payment: relief, \$384.91; hospital, \$117; employees' insurance, \$243.28; general account, \$774; Board of Health, \$103; roads, \$13,701.

The next regular meeting will be held Saturday, September 3.

## ARMITAGE

Holidays seem to be the order of the day and who wouldn't want to be in a cool spot these days.

Mr. and Mrs. Gordon Beckett have returned home from a trip to North Bay.

Rev. John Addison will speak on his mission work in Toronto at Wesley United church Sabbath school Sunday, Aug. 21, at 10 o'clock. Everyone is cordially invited to attend.

Queensville — The estimated crowd was 3,500 at Queensville's second annual sports day at the new park on Saturday and sports day officers say that the day was a success in terms of raising money for rebuilding the Queensville arena. The arena has been moved to the new location at the park and the concrete floor was completed a few days before sports day.

Feature attraction with the baseball games were two parachute jumps from 1,000 feet over the fairground. Two aircraft buzzed the field and after a short circuit, the crowd saw two men drop from the craft and float to the ground in spectacular low level jumps.

In the afternoon the crowd mingled around the booths and exhibits and watched races, decorated bicycle contests and horse shoe pitching. The Queensville Women's Institute served a supper up to its usual high standards in the arena and later in the evening a dance was held there with Charlie Vanzant's orchestra.

A large number of former residents of Queensville came to the home town for sports day.

Lucky first prize winner was Mrs. F. Midgley, Miami Beach, who won a frigidare. Others were Angus Morton, Queensville, set of furs; John Stentiford, Aurora, vacuum cleaner; R. E. Wier, Pefferlaw, bicycle; Mrs. J. A. Martin, Toronto, pressure cooker; and E. Waring, Toronto, electric tea kettle.

Winning the "oldest lady" contest was Mrs. Lydia Lewis. Mr. and Mrs. Clair Smith, Toronto, were the newest couple and the largest family contest went to Oliver Diceman, Ravenshoe.

John Crouch, 92, of Brownhill, won the prize for the oldest man on the grounds. Mr. Crouch was winner last year and at that time said he was coming back again.

Frederick Reginald Smith, 19-year-old son of Mr. and Mrs. Reginald Smith of Queensville, won the prize for the youngest child on the grounds. He was held by his grandmother, Mrs. Archie Smith.

Fred King and Frank McShane were the horseshoe pitching contest winners with 35 over Alf. Hill and Ken King with 34. Zephyr defeated the Newmarket Veterans 12-6 to win the softball tournament (see sports page).

Other results were: boys' still race, Fred Greig, George Davis, and Murray McKelvey; banana eating race, Terry Munro, Douglas Turan, Danny Caruthers; tri-cycle race, Dale Toombs, Burke Dew, Marilyn Dew; boys' race, J. Murrell, Guy Revell, Douglas Smith; baseball rolling, Barbara Thom, Marie Lockie, Heather Cooper; shoe scramble, Shirley Gibson, Dianne Manion, Bernice Sibbert; throwing plate, Jean Uprichard, Barbara Reid, Jacqueline Child; driving blindfolded horse, Shirley Ann Gray and Joan McRoberts, Donna Lepard and Marguerite Ward; pillow fight, Paul Dolan, Andy Closs and Paul Smith.

Best decorated and equipped bicycle, Harold Smith, Nancy Kavanagh, and Lorraine Alexander; best decorated and equipped tri-cycle, Barry McDonald, Marilyn Dew, Dale Toombs, Billy Dew.

## KESWICK

An interesting well attended meeting of the W.C.T.U., led by the president, Mrs. Serriek, was held on the evening of August 9 at the home of Mrs. Perry Winch, Sr. The meeting was opened by the singing of "What a Friend we have in Jesus." Mrs. Frank Marritt then gave a sketch of the origin of that grand old hymn. Mrs. Wilder added interest to the meeting by having a dialogue on the W.C.T.U. work. All the ladies took part in this.

Mrs. K. Boothby then favored us with a lovely solo. Business regarding the mothers' meeting was attended to and plans made for the next meeting at Mrs. Wilder's home on September 13.

Mrs. H. Kennedy and three children from Toronto are guests of Mrs. Kennedy's sister, Mrs. H. Serriek.

Wells are drying up in our village and cisterns getting low from lack of rain. A number of citizens are drawing water from the lake.

Mrs. Jack Gibson and family and Mrs. Stiver of Markham were Sunday guests of Mr. and Mrs. Jack Harper. Mr. Bill George was also a recent guest of the Harpers.

Mrs. John Hopkins, with her mother, Mrs. Joel Sedore, and Mr. and Mrs. Norman Sedore, Newmarket, are on a motor trip to the B.C. coast.

The new Memorial Recreation Centre had its first opening last Friday night when Mr. Hanson of Keswick Beach put on a picture show. A large crowd attended and netted a nice sum towards the project.

Miss Jean Wright of Toronto is the guest of Mr. and Mrs. Jack Hannah, "Cedar Glen."

Mr. Bobbie Peters, son of Mr. and Mrs. Obie Peters, is enjoying an extended bus trip through the middle States, a 12-day visit to his aunt, Mrs. Gordon Mahoney, in Colorado Springs, and a return trip up the coast to Vancouver and home via the

## QUEENSVILLE

Mr. and Mrs. Arnold, Hamilton, spent several days with Mr. M. McKelvey and Mrs. McKelvey.

Guests at the Huntley home were Mr. and Mrs. Fred Hillaby and Mr. and Mrs. W. White, Toronto, during the weekend.

Mr. and Mrs. Allan Cowieson have been holidaying with Mr. Cowieson's mother, Mrs. John T. Cowieson.

Some of the guests at the home of Mrs. Jacob Smith during the weekend were Mr. and Mrs. Tony Miles, Mr. and Mrs. G. Silverthorn of Irlington.

Mr. and Mrs. Wm. Kavanagh, after returning from Long Island, New York, have been holidaying for a week with Mr. and Mrs. Frank Kavanagh.

Mrs. Clara Doane and Mrs. Jim Liggat were visiting Mr. and Mrs. H. Toombs.

Mr. and Mrs. Frank S. Thompson, Zephyr, and Mr. Ben Lepard, Great Falls, Montana, visited their cousins, Mr. and Mrs. Sydney Thompson, on Monday. Mr. Lepard travelled by plane from Montana to Detroit and then by bus to Canada where he is visiting relatives and friends. He finds many changes since he visited here last.

## Canadian West.

Mrs. Carson of King and Mrs. Widdifield, from near Newmarket were weekend guests of Mrs. Ella Wilder.

At a council meeting held in the township hall at Belhaven on Wednesday, Aug. 17, it was unanimously passed that all necessary steps be taken to complete the establishment of the community centre in the township. A special meeting is to be held on Monday, Aug. 22.

## Takes Four Prizes Sutton Horse Show

(Held from last week)

Keswick—A great many from here attended Sutton Horse Show last week and report a splendid show. Mr. Milford Rye brought home four prizes on his horses, a first on a brood mare, second on a foal, second on saddle class, and first in express class.

Miss Ann Chantler of Toronto is visiting her cousin, Mrs. Wm. Holborn.

Mr. and Mrs. Bruce Clark and son of Timmins are guests of Mr. and Mrs. Freeman Pollock.

Rev. and Mrs. Hyde and children of Cadillac, Mich., are holidaying with Mrs. Hyde's parents, Mr. and Mrs. R. Hobson.

Rev. Serriek's and also the Gilroy home are looking very attractive with new outside painting.

Mr. and Mrs. O. Smith attended the funeral on Monday in Toronto of Mrs. Smith's sister.

Miss Florence Nichol, Toronto, was a weekend guest of Mrs. Jack Cameron.

Mr. and Mrs. Roy Cowieson, Toronto, are occupying Mr. and

Mrs. Frank Perry's Keswick home for a couple of weeks.

Rev. and Mrs. Fockler, Maple, have been spending some time at their cottage at Keswick Beach.

The temperature was 90 in the shade both Monday and Tuesday.

Mrs. Cowie, Toronto, and Miss Margaret Gilmour, Newmarket, are at their cottage, "Craigmawr Beach."

Pack up the tackle and let's go after those big ones that got away last year. Now our lakes, rivers and streams give us another chance to prove that the story of last year's outing wasn't just another fishing yarn.

**PLAN TO SEE THE CNE**

Plan to see the whole wide world on parade at the finest C.N.E. of all time... new cars, new fashions, new household equipment. There will be a background of great music by HM Royal Marines Band and leading dance orchestras. The Air-Display and the Combined Services Displays will crowd the hours with thrills and pageantry. You'll remember the '49 "Ex" as long as you live.

**Foot-Notes**  
BY WILLIAM FOOTE  
AURORA EDITOR  
A few months ago it was an-  
nounced by the Attorney-Gen-  
eral's Department that in order  
to receive the special provincial  
grant all municipal police forces  
must meet with certain effi-  
ciency requirements and must  
have a pension plan for their  
officers.  
For most municipalities this  
has generally boiled down to ac-  
cepting the provincial grant and  
establishing a pension plan or  
else turning down both the  
grant and the plan. Cost has ap-  
parently been the main consid-  
eration and the announcement  
has resulted in a considerable  
amount of serious thought on  
the part of most municipalities.  
It received brief consideration  
at a recent meeting of the Au-  
rora council. Comment seemed  
to indicate that the establish-  
ment of a pension fund in order  
to receive the grant might prove  
more expensive than to do with-  
out both, in view of the possi-  
bility of the Ontario Provincial  
Police policing of Aurora in the  
near future.  
Aside from this question, Au-  
rora should have a pension plan  
for its police officers. It should  
have been established years ago.  
The present police force in  
Aurora has, for many years, put  
in extra hours of duty daily. At  
the present time the force con-  
sists of two officers. Each has  
one day off each week, but one  
must take over the other's duties  
on his day off. Speeding fines  
go a long way towards paying  
for the services of one officer  
but enforcement of speeding reg-  
ulations requires the presence of  
both officers as a rule, one of  
whom must be there during off-  
duty hours.  
The member officers of the  
Aurora Police Department ex-  
pend every effort to ensure max-  
imum police protection of the  
town, even to relinquishing a  
large measure of their free time.  
They have saved the town the  
cost of a third officer which the  
town should actually have had  
for many years.  
Surely a portion of these  
savings, made possible through  
the self-sacrifice of the present  
members of the force, could be  
set aside towards the establish-  
ment of a pension fund. Long  
and faithful service is deserving  
of reward.  
This Friday and Saturday sees  
the annual presentation of the  
Aurora Legion carnival and  
dance. We gather that this  
year's program promises to be  
one of the best yet, featuring a  
special parade, an amateur show  
and numerous other entertain-  
ment specials. There is no finer  
cause than the Legion, so turn  
out, help the boys, and have a  
whale of a time.  
Last week we discussed the  
deplorable condition of highway  
27, and advocated immediate ac-  
tion on the part of the provin-  
cial government towards the  
elimination of that highway's  
numerous traffic hazards. That  
highway has claimed many lives  
this year. Since last week's  
column left the typewriter two  
more lives have been lost.  
To our knowledge, there were  
at least four accidents reported  
on highway 27 last week. Two  
of these occurred at the junction  
of highways 7 and 27. Identical  
in nature, one resulted in the  
death of two truck drivers. The  
other, less serious, resulted in  
personal injuries and extensive  
damage to the cars involved.  
How many must die before pro-  
vincial authorities see fit to  
make this highway safe for  
travel?  
**Upper School Results**  
Newmarket—Upper school re-  
sults recently issued by the de-  
partment of education show Jean  
Squires with six firsts and two  
seconds in eight papers to be the  
top student at the Newmarket  
high school this year. Follow-  
ing closely are Richard Edwards  
with five firsts in seven papers  
and Bob Atchison and Bob Stin-  
son with five firsts in nine pa-  
pers. The results show further  
that the candidates were success-  
ful in 91 percent of the papers  
written.  
Standing in each subject is  
shown by the following symbols:  
I (75-100); II (68-74); III (60-  
65); C (50-59). The word com-  
plete indicates a candidate's name in-

**Vandorf School Report**  
**Dated 1833 Discovered**  
Mrs. James Ackney, Ulica, in  
the township of Reach a few  
miles east of Uxbridge, found an  
interesting report in her home  
some days ago, and forwarded it  
to The Uxbridge-Times. It was  
a paper that had been preserved  
by her grandfather, William  
Ashton, being a report of the  
standing of school pupils whom  
he taught in the township of  
Whitchurch at what is now  
known as Vandorf school on the  
fourth con.  
The report of a quarterly state-  
ment of what was called the  
Common School for the year  
1833. William Ashton was its  
first teacher in August of that  
year. When one recalls that this  
was in the days before the Re-  
bellion, it is realized as long, long  
ago. Whitchurch was surveyed  
in about 1800, and schools were  
started 25 years later, although  
some operated earlier than this.  
The report gives the names of  
the following pupils: Phebe Gold,  
Rosehannah Melloy, Rachel and  
Daniel Williamson, Pearson  
Starr, Augusta, John and Adah  
West, John and William Hack-  
ling, Adam, Susannah, James,  
Betsey, Minthorn, Jared, George  
and Charity Lloyd, Henry Mat-  
chel, John McDonald, Mary and  
Johannah Minthorn.  
The document is dated Whit-  
church, 5th Nov., 1833.  
As was usual in those long  
gone days, the writing was  
beautiful script and the report  
while stained with age was  
quite legible, the Uxbridge Times  
states.  
**Briars Injured Driver**  
**To York County Hospital**  
George Hill of Maple, driver  
of a Weston Bread supply truck,  
was taken to the hospital in a  
Hillsdale Dairy milk truck driv-  
en by Donny Williams following  
an early morning collision on  
the Lake Simcoe highway south  
of Keswick.  
Donald was delivering milk at  
Miami Beach and hearing the  
crash, went to investigate. He  
found Hill had been thrown  
clear of his truck and he assist-  
ed him to his own truck and  
took him to hospital.  
Police are investigating.  
**TO GIVE 60 CYCLES**  
(Continued from Page 1)  
er at 60 cycles. The other is  
3,000 kva, 60-cycle equipment,  
which, it is understood, may be  
replaced by a 15,000 kva unit as  
frequency conversion proceeds  
throughout Southern Ontario. If  
the change is carried out, the to-  
tal capacity of the Armitage sta-  
tion would be brought up to 29-  
400 kva, regarded as ample trans-  
former provision to meet any in-  
crease in power load demand in  
the area for some time to come.  
Construction of the Armitage  
station was begun last May. Dur-  
ing the early part of the summer  
the site was graded and the rail-  
way siding was put in. Since  
then the concrete footings for the  
transformer equipment have  
been placed and the construction  
of the storehouse and the two  
houses for the operating staff  
nearly completed. Work on the  
footings for the high and low  
tension equipment is reported to  
be now under way. The erec-  
tion of the steel structures and  
the installation of the transfor-  
mers, together with associated  
tasks, are expected to be carried  
out during the fall and early  
winter months. The cost of the  
new station has been estimated  
at approximately \$454,000.  
A lady, checking over her gro-  
cery bill, found this item: "One  
tom cat, 15 cents." Indignant,  
she called up her grocer and de-  
manded to know what he meant  
by such a charge. "Oh, that's all  
right, Mrs. Blank," he replied.  
"That's just an abbreviation for  
tomato catsup."  
Customer: It's tough to pay 90  
cents a pound for meat.  
Butcher: It's tougher when you  
pay 35 cents.

**Mrs. Joseph Fizzell**  
The death of Mrs. Joseph Fiz-  
zell occurred at the home of her  
daughter, Mrs. A. V. Cole, Wood-  
bridge, on Thursday, Aug. 11.  
Born at Zephyr, the former  
Lydia Ann Tait, Mrs. Fizzell was  
in her 82nd year. Most of her  
early life was spent at Bradford  
and Bond Head, but in later  
years she was well known in  
Schomberg and Pottageville dis-  
trict.  
Her husband predeceased her  
20 years ago and one son, Dr.  
Mervyn Fizzell, Calgary, is de-  
ceased.  
Surviving are two daughters  
and two sons, Margaret (Mrs.  
John Jarvis), Kettleby, Mabel  
(Mrs. A. V. Cole), Woodbridge,  
Leicester A., Toronto, and Harley  
M., Schomberg.  
The funeral service was held  
on Saturday at the home of her  
daughter, Mrs. A. V. Cole. Rev.  
MacFarland, rector of Wood-  
bridge United church, officiated.  
The pallbearers were six  
nephews, Loe West, James West,  
Morris West, Andrew West, Nor-  
man Houghton and Stephen Tait.  
The last of her family, Mrs. Fiz-  
zell was laid to rest beside her  
parents in Bond Head cemetery.  
**OBITUARY**  
**Mrs. Ross Squires**  
Mrs. Ross Squires, Newmar-  
ket, died in hospital at Toronto  
on Friday, August 12, after an  
illness that lasted one month.  
She was born in Cookstown  
July 17, 1901, the daughter of  
the late Annie Flemming and  
John Rowland. On May 5, 1915,  
she married Ross Squires. She  
was a member of the Church of  
England.  
Surviving besides her husband  
is a daughter, Jean Squires, sis-  
ters, Mrs. John Milton, Mrs. Roy  
Staley and Mrs. Ben Brewer.  
Mrs. Joseph Smith and Mrs. Wil-  
liam Morris, two aunts, live in  
Newmarket. Three uncles are  
Wilfred Rowland and Mack  
Rowland, Collingwood, and  
George Rowland of Toronto.  
The funeral service was held  
at Newmarket, Monday, August  
15, conducted by Mr. Powell.  
Interment was at Newmarket  
cemetery. Pallbearers were  
James Hiller, Al Bryson, Thom-  
as Faircy, Fred Poulton, Verne  
Lepard and John Milton.  
**OBITUARY**  
**William Gilkes**  
William Gilkes, 75, Newmar-  
ket, died at St. Michael's hospital,  
Toronto, on Saturday night after  
receiving injuries when he fell  
down stairs at the home of his  
daughter, Mrs. Lloyd Cline, Col-  
umbus St., Toronto.  
Mr. Gilkes had been visiting  
his daughter and apparently  
tripped at the top of the stairway  
leading to the second floor. Mr.  
Cline said that he heard a noise  
and found Mr. Gilkes where he  
tumbled to the floor in the down-  
stairs home. He was pronounced  
dead on arrival at St. Michael's  
hospital.  
The funeral service was held  
at his home, Prospect St., New-  
market, on Tuesday, Aug. 16.  
Interment was at Newmarket  
cemetery.

**B.P.W.C. Attraction**  
Newmarket—A display of the  
Business and Professional Wo-  
men's club which has attracted  
much attention is the Miss White  
Collar Doll. Dressed in becom-  
ing crisp dollar bills, she is on  
view in the window of Eves'  
store. Miss L. Daniels said that  
the children have been quite fas-  
cinated with the doll and come  
in dragging their parents to in-  
quire if the money is "real".  
The doll was donated by Mrs.  
Alex. Eves and dressed by Mrs.  
Joseph Dales. The project is to  
raise funds for community work  
by the club. The accompanying  
poster was done by Mrs. J. W.

## IT'S A Woman's World

By CAROLINE E. ION

Big doings are being planned for Saturday, Aug. 27, with the Newmarket Horticultural Society the sponsoring organization behind the project. The gladiolus show has always been popular and this year with the town hall providing more space for displays, it should be the best yet.

However, it is not primarily of the gladiolus that we are telling you today—but of the new and varied additions—displays of local merchandise, afternoon tea, school children's flower arrangement, Fred Hagan's lithographs and an interesting display of imported silks and embroidered work, the collection of Mrs. Kate Mather.

Sounds too ambitious? Well, no one can blame the organization for trying. If Queensville can sponsor a Sports Day and make it an outstanding success, surely Newmarket will back this small beginning which could develop into a first class fall fair, combining exhibits of local arts and crafts; children's features; industrial and commercial displays as well as a vegetable and flower show.

Because of limited space as well as a shortage of time, the displays of Main St. merchandise have been necessarily curtailed. An attempt has been made by the program committee, chaired by Mrs. John Meyer, to provide as diversified an exhibit as possible.

There will be a display of shoes and luggage from Ang West and the new fall fabrics from Tom Burke's. Of interest to the ladies will be a china display from Elman Campbell's and Stew Beare's small electrical appliances will be another feature. Bert Morrison will have on display the fall sportswear—but more about all this next week.

The collection which Mrs. Kate Mather has kindly offered the society for display purposes has never been exhibited in Newmarket before. It contains many priceless articles of exquisite workmanship and would be worthy of a visit to the town hall without all the other fine displays. Fred Hagan will contribute some of his water colors as well as a large display of his lithographs. A department head on the staff of the Ontario Art College, Mr. Hagan is well known for his work.

Everyone loves an afternoon tea and in a setting of fine exhibits and lovely flowers the one being planned for Saturday, Aug. 27, by the social committee under the sponsorship of Mrs. John O'Halloran should be "tops". Tea will be served from 3 to 5 p.m. and it is hoped that a demonstration of the making of corsages will be given at the tea time.

## Distinctive Canadian Dishes

Our recipes this week come from Ontario, Alberta and Saskatchewan and are ones you will want to file for frequent future usage. Compiled in a booklet by the Junior Chamber of Commerce, there is one recipe for each of Canada's ten provinces together with several fine old recipes of French origin.

In the following weeks we shall give you all of these recipes so that you, too, may become acquainted with these distinctive dishes of our own country. We shall be pleased to hear of any recipes that have been family favorites for a number of generations.

Ontario: "Nature was lavish with her blueberries in Ontario and Ontario cooks know how to make the most of them."

### BLUEBERRY CRISP PUDDING

(Equally as good with peaches)

- 4 cups fresh blueberries
  - 1 cup granulated sugar
  - 2 Tsp. lemon juice
  - 1 Tbsp. butter
  - 1 cup brown sugar, firmly packed
  - 1 cup flour
  - 1 cup quick-cooking oats
- Place blueberries in greased deep baking dish (1½-quart size). Sprinkle with sugar and lemon juice. Cream butter, gradually add sugar. Blend in flour and oats. Spread over blueberries. Bake in oven preheated to 375 degrees for 35 to 40 minutes. Serve with plain or whipped cream. Yield: six servings.

Alberta: "Juicy, rich flavored Alberta beef with gravy under a flaky crust."

### BEEFSTEAK PIE

- Plain pastry
  - 1½ pounds beef (round or chuck steak)
  - 1 Tbsp. drippings
  - 2 Tsp. salt
  - 1½ Tsp. pepper
  - 2 cups sliced onions
  - 3 cups hot water
  - 4 Tbsp. bread flour
  - 6 Tbsp. cold water
  - 1 Tbsp. thick condiment sauce
- Prepare pastry and roll out top crust and chill. Cut beef into two-inch pieces. Brown in hot drippings in deep frying pan. Add salt, pepper, sliced onions and hot water. Cover and simmer for two hours. Remove meat to baking dish. Thicken gravy with flour mixed with cold water. (There should be about 2 cups of gravy). Add condiment sauce or other seasonings to taste. Pour gravy over meat in baking dish and let mixture cool. When meat and gravy are thoroughly cooled, cover with top crust. Place pie on lowest rack in oven preheated to 450 degrees. Bake for ten minutes, then reduce oven temperature to 350 degrees and bake for 35 minutes longer. Serve hot. Yield: six servings.

Saskatchewan: "Durham wheat, Canadian Cheddar cheese and Canadian Bacon make this a three-star dish."

### BAKED MACARONI AND CHEESE

- 1 8-oz. package macaroni
- 1 cup butter or margarine
- 1 Tbsp. chopped onion
- 1 Tbsp. flour
- 1 Tsp. dry mustard
- ½ Tsp. salt
- 1½ Tsp. pepper
- 2 cups milk
- 1 cup grated nippy cheese
- Bacon

Cook macaroni until tender in boiling, salted water and drain. In the meantime make sauce as follows: Melt butter or margarine in top part of double boiler over direct heat, add onion and cook slowly for about five minutes until tender but not browned. Add flour, mustard, salt and pepper and blend. Place over boiling water, add milk gradually, stirring constantly, until thick and smooth. Add grated cheese and stir until melted. Combine sauce and macaroni and pour into greased 1½-quart casserole dish. Bake in oven (400 degrees) for 20 minutes or until brown. Top with strips of cooked side bacon. Yield: four to six servings.

## CELEBRATE BIRTHDAY

Newmarket — Mrs. Delbert Godson gave a birthday party on Thursday in honor of her mother, Mrs. Geo. Scott, who celebrated her 78th birthday. About 30 neighbors and friends had tea with Mrs. Scott and offered her birthday greetings. Mrs. Scott's daughter, Mrs. J. A. Cooper, and Mrs. Jack Kidd, her granddaughter, Toronto, were present.

## CELEBRATE ANNIVERSARY

Newmarket—A reception was held at the cottage of Mr. and Mrs. Frank Travis on Sunday, Aug. 14, in honor of their golden wedding anniversary. There were about 100 guests and Mr. and Mrs. Travis were the recipients of many lovely gifts on this occasion. The grandchildren served refreshments and lunch.

## Experiment That Failed

Betty, ten years old, was having a delightful time at summer camp and seemed perfectly satisfied until she talked over the phone with her parents.

Betty's attendance at summer camp was her first experience away from home and family. There were many interesting things for Betty to see and do at camp and she was busy and happy in her new environment. Her friendliness won her many new little friends and there wasn't a sign of discontent in her nature.

That is, there wasn't a sign of discontent until after a telephone conversation with her parents. It was then that Betty learned of a boat trip the family was planning without her. She decided she wanted to go with them and quite suddenly nothing and no one at camp had any appeal for her.

Naturally, Betty's parents didn't expect her enthusiasm for camp to suddenly explode or they wouldn't have mentioned their own plans. Betty decided she didn't like camp and wanted to go home immediately. Nothing anyone could say would change her mind after she had made that decision. She began manufacturing reasons to go home and her thoughts upset her digestive system to the extent that she actually did become sick with a fever and stomach pains. Betty's illness was short-lived because she was soon with her family and included in the boat trip. If this situation hadn't been handled carefully, there would have been a general rebellion among the wee ones at camp. They all wanted to phone home, too.

This experience and some other very similar ones have convinced the camp staff of the advisability of delivering phone messages through staff members instead of permitting private conversations between campers and parents.

## MOVE TO NEW HOME

Newmarket — Mr. and Mrs. Horace J. Hiccox and family have moved to their new home at 18 Arden Ave. Mr. Hiccox is the manager of the Dominion Bank here.

## DISPLAY TREASURES

The central boxes of the Old Curiosity Shop in the women's building at the Exhibition are being reserved for some of the precious treasures belonging to the wives of Canada's lieutenant-governors. Other well-known figures invited to send exhibits include Cardinal McGuigan and Rt. Rev. George Frederick Kingston, Primate of the Church of England in Canada.

## PIONEER EXHIBIT

The interior furnishings of a pioneer Canadian log cabin are being brought in their entirety from the Burridge Century House, Pleasant Point, Lindsay, for display in the women's building at the C.N.E. They are being loaned to the C.N.E. by Mr. and Mrs. Arthur Burridge of Lindsay.

## Add Juvenile Class To Gladiolus Show

An interesting section of the August 27 gladiolus show of the Newmarket Horticultural Society is being sponsored by the juvenile committee. It is open to all pupils of the four elementary schools in town. Flower arrangement will be the concern of the young exhibitors with the arranging of their bouquets being done at the town hall.

All entries and flowers must be in the upper part of the hall before 10:30 on Saturday morning. Contestants will provide their containers and bloom and the exhibits will be judged solely on their decorative value. The total height, including container, must not exceed two feet. The section will be divided into two age groups. Class 120 will be for children under ten years of age and class 121 will be for those ten or over.

## 40 Attend Shower For Betty Burling

Aurora — On the evening of Aug. 8 Miss Betty McKenzie and Miss Gladys Wythe gave a miscellaneous shower at the home of Miss Betty McKenzie in honor of Miss Betty Burling whose marriage to Mr. Walter Burling will take place on August 20. About 40 guests were present. The bride-to-be received many beautiful and useful gifts. A dainty lunch was served by the hostesses.

## Can Anyone Help Golden Glow?

And here's something I want to ask. Do any of you know how to spell "Shakunkon"? I may begin with a 'c' for all I know, but that is how the name sounded. It is a small black and gold fish, a little larger than an ordinary goldfish. So pretty and so lively—Mr. Climpson and his family enjoyed this fish so much. It is a Chinese fish if I recall. Can anybody tell me anything about it, and how to spell it? I feel sure Mr. and Mrs. Climpson have another lovely fish pool where they have gone, if they have a garden. How about Fairley Lake now? Didn't I tell you we'd have it back? It really is a treat to see it again.

## News of the W.I. In North York

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The Union Street branch met at the home of Mrs. Roy Cowie on Thursday evening, Aug. 4, with 36 ladies present. The ladies are sending baking to the Queensville Sports Day on Saturday of this week and several have volunteered their services to help in the booths. The girls were in charge of the program which consisted of an instrumental by Helen Holloway, a poem by Violet Micks, a song by Betty Beckett, a paper entitled "The Story of Buttons" by Jean Rose. Bernice Holloway sang a solo accompanied on the piano by her sister, Helen. Betty Beckett gave a humorous reading, "Mother's Hairpin." The south group served delicious refreshments at the close of the meeting and everyone enjoyed a social half-hour.

Will the ladies kindly keep in mind that any clean white cotton material, suitable for bandages or cancer pads, is to be handed in at the September meeting. The Institute is planning a community corn roast to be held at the home of Mr. and Mrs. Walter Rose on Wednesday evening, Aug. 24. A very pleasant afternoon was enjoyed at the Institute club-room on Thursday, August 11, when over 20 members and guests from Aurora visited the Schomberg branch.

Mrs. Hugh Hamilton, president of the Schomberg Institute, presided at the business meeting. The roll call was "Say something nice about the person at the left of you." An interesting talk on the motto for August was given by Mrs. Clarence Marchant. Mrs. Eckles, president of the Aurora branch, took the chair for the program, which opened with a lovely solo by Mrs. Fierheller.

Piano duets were given by Miss Reynolds and Miss L. Atkinson. An address on South Africa, accompanied by colored pictures, was given by Mrs. Dudley Wilcox, who had recently returned from a visit there with her son in Johannesburg, South Africa. The pictures were both educational and beautiful.

## The Common Round...

By Isabel Inglis Colville

### HOUSES AND DAFFY

One of the interesting, intriguing, sometimes mysterious things about driving through the country is the houses. If one were gifted that way and could win the confidence of their inhabitants, there is no doubt a story could be written of almost any of them and those within them.

And there is no doubt that houses take on a look of those who live within their walls. There are those that nestle down in some cosy hollow with a background of pine and spruce and maybe a big elm or willow shading it, and giving shelter and nesting homes to the birds that sing their glad matins and vespers for those within the friendly little house.

Then there are the houses that stand aloof. They have a look of superiority as if they were looking down their noses at the riff raff—the kind of look that in times of revolution sends people to the headman's block or the firing squad.

I'm always sorry for the barren houses—they usually sit alone—no flower, not a shrub—not a tree. One wonders if the lives lived within are like them, for even the poorest can plant a few flowers and make a brightness for their people.

I love the alert houses, that look out on the world from their many bright eyes and seem to find the world interesting. If they are very new they'll have the beginnings of gardens and trees and you'll feel that the people within are making a life—not just a living.

Too, there are a few grim, mysterious houses. They shroud themselves in shrubbery and overgrown trees. One wonders what dark deeds may be in the doings or what sad fate has made a misanthrope of whoever bides within the gloom. The other half of the family says my imagination works overtime, but he too, occasionally, reads a wayside story.

If you drive, read the houses. It's fun if you ever meet those who live in them, to see how near you came to the truth.

Daffy at School

At present our house is invaded by a small yellow whirlwind. One goes about the common round with a certain amount of caution for from under chairs and tables, from behind doors there creeps into your path a small yellow bomb.

If you are hurrying it always goes between your feet as you claw the air and mutter things better left unsaid. It flies to its mother and stands under her chin and peeps out impishly as if to say "Touch me if you dare" while mama looks at her darling and says to me in her own language, "I'm afraid Daff is too clever; such celestial excitement will have a bad effect and we may have to have him psycho-analyzed."

We were rather perturbed as to how Stripesy would react to the new member of the family but Stripesy with a lordly air sits down and waves a long and heavy tail for Daff's enjoyment. And does Daff love it! With wild pounces he leaps on it, spread eagles himself all over it and tries vainly to hold it.

For awhile Beauty looks on, placidly, then she lays back her ears and pushes Daffy away and waves her own fluffy tail—jealously is rife and poor Stripesy who was only trying to help is given to understand that this is a rare and precious kitten and belongs to Beauty and only her.

But together they're teaching him to play ball, to climb trees and to dance.

If you could see that gold infant stand on his hind legs and waving his paws dance round a little beetle or moth, you would see something that would make a ballet dancer's eyes shine.

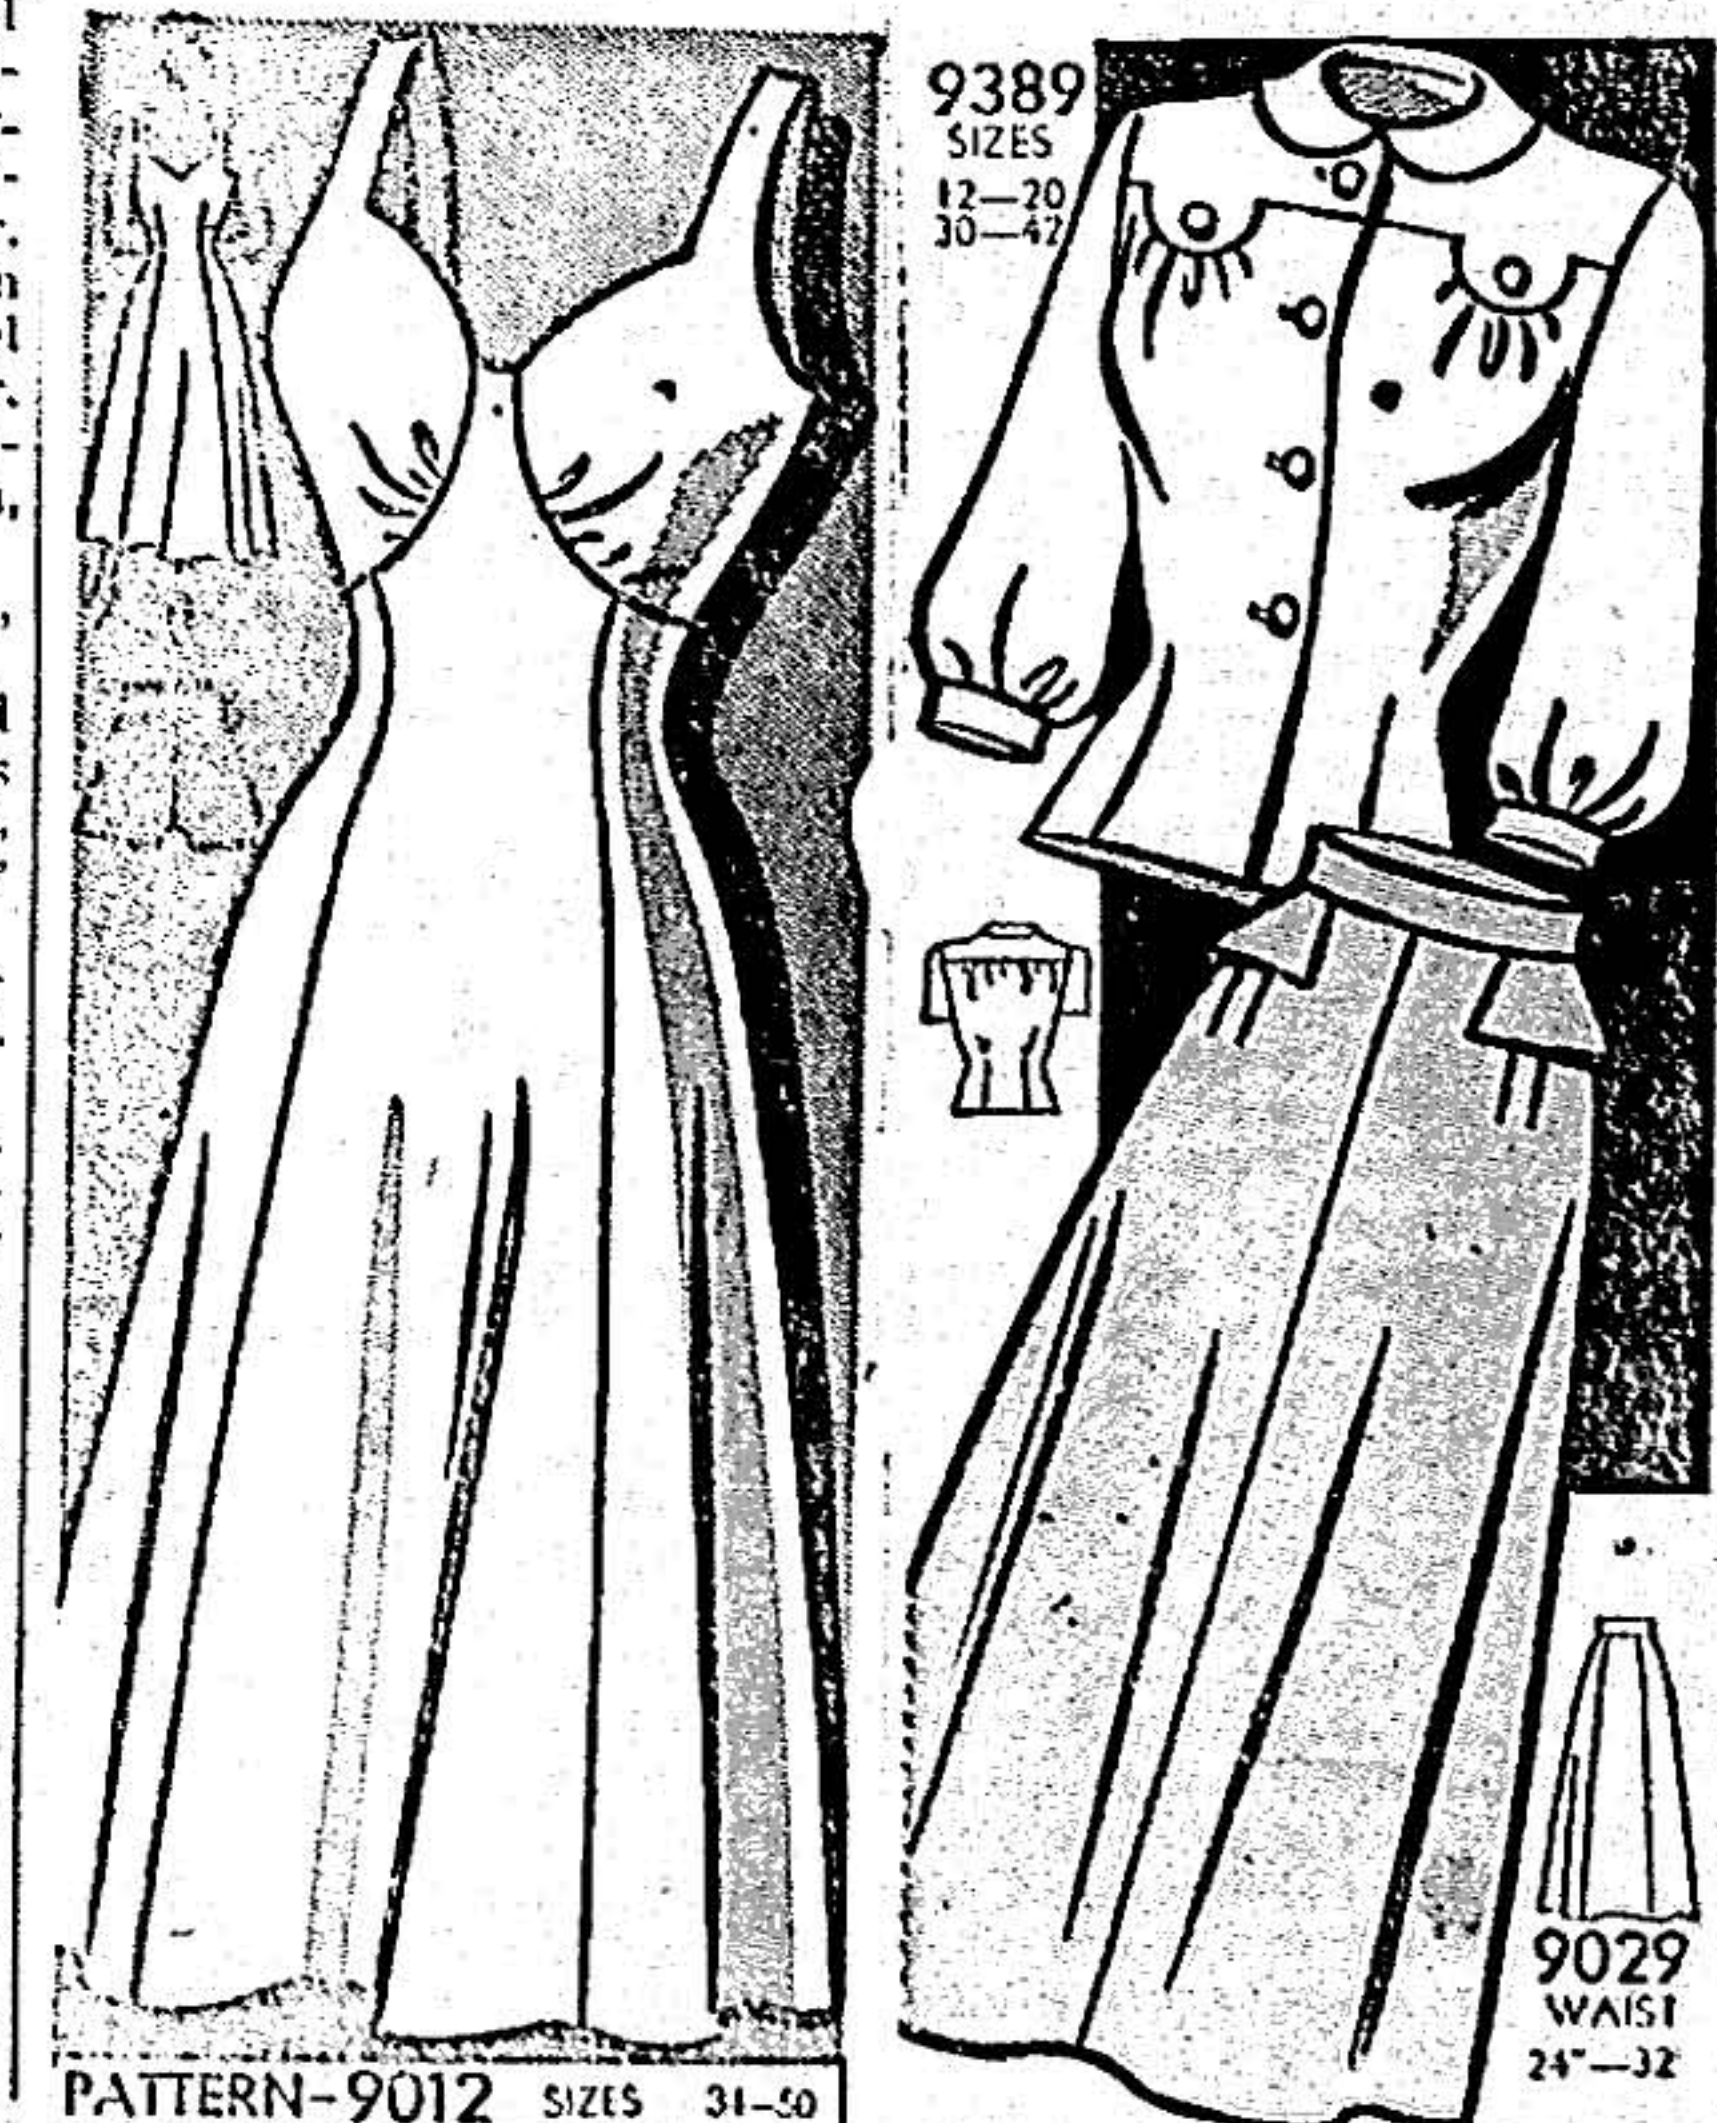

At regular intervals he is called to his bed and sung to sleep, only to make wilder capers.

His nights—and ours—are a bit hectic owing to the fact that Beauty likes to join Stripesy in night hunting. So she puts the baby to bed and demands out.

Then in a few hours we heard weird cries under our window; also we hear Daffy falling out of bed and following the cries from door to window and vice versa, till one of us goes down and opens the door, when occurs a touching reunion as Beauty tries to talk to her offspring while at the same time telling us we have no hearts to keep her out so long.

But Daff's education goes on. She is learning to eat neatly from a dish and drink with much gurgling and fuss. What the next stage will be remains to be seen for Beauty is a modern mother and varies her training to suit each baby. Beauty says wait and see.

## Defeat Midland 3-1 Ladies Make Finals

By GEORGE HASKETT  
Our ladies' softball side got over a big hurdle Thursday evening in their hunt for the Barrie and district title. They put on a sparkling display to earn a 3-1 decision over Midland and out the Northerners from the hunt. Newmarket now goes up against Valleys for the crown. To coin a well-worn phrase the game had more than its quota of thrills and chills. Midland didn't succumb without putting up a healthy scrap. Fan opinion was that it was the best ladies' game in years and years.

### Ladies Enter Finals Against Valleys Monday

Newmarket ladies play their opening game of the final series in the Barrie and district league on Monday when they meet Valleys in a best three of five series. The opener will be played at Stuart Scott school grounds at 6.45.

Wednesday, the ladies start in to the P.W.S.U. playdowns at Brampton against the Brampton Combines with the return game scheduled for the following Saturday in Newmarket in the afternoon. The return game will start at 1.30 p.m. and if a third game is needed, it will be played the same afternoon.

### Tennis League Standing Remains Unchanged

Long awaited clash between the top two teams in the North York Tennis League competition came off on schedule last Wednesday at the local courts.

After it was all over the two stayed put, Aurora in front, Newmarket second as they shared the spoils. Both teams gained four wins in the competition. Results, Newmarket players named first. Ladies' Doubles:

Mary Dales and Margaret Davis were defeated by Jill Holden and Peggy Garstang 6-5, 5-6, 4-6.

Joan Peppiatt and Joyce Bothwell defeated Betty Boulding and Iris Hamilton, 6-5, 6-4.

Men's Doubles:

Bob Yates and Keith Davis defeated Lees Oram and Stan Walker 5-6, 6-4, 6-3.

John Dales and Jack Peppiatt were defeated by Charles Seath and Aubrey Holmes 6-4, 5-6, 4-6.

Mixed Doubles:

Margaret Davis and Bob Yates defeated Betty Boulding and Stan Walker 6-5.

Joan Peppiatt and Keith Davis defeated Jill Holden and Lees Oram 6-2.

Mary and John Dales were defeated by Peggy Garstang and Aubrey Holmes 3-6.

Joyce Bothwell and Jack Peppiatt were defeated by Iris Hamilton and Chas. Seath 5-6.

came up with the all-star catch in left. Both teams provided sparkling infighting and out-fielding.

## News n' Views

By GEORGE HASKETT

If you missed—we hope you didn't—full schedule of action Thursday at the park and later the weekly lacrosse round-up at the rink, count it as a lost evening. Terrific ball game at the park—consensus is "best ladies' game in years". Lacrosse laddies flew around the rink in a welter of blood, feudin' and action. Highlights of the ball game that ousted Midland were two homers socked out by Lois Manning and Edna McGrath, and Hester Clark's one hit pitching to the seventh. Then the tension filled the seventh frame as Midland came in to do or die. They died, but only after they caused a tremendous amount of worry. Midland came down voicing resentment. That was for having to play the third game here after finishing on top. But why the crying towels now? League constitution subscribed to by all representatives from all teams agreed to a toss in the event a third and decider was needed. Newmarket won the toss for the site of the third game. Anyhow that's a matter for consideration with rule and regulation makers for next year.

We'll have to take a little time for our memory to start percolating. Off hand that donnybrook Westmounts and Newmarket "Redmen" put on at the rink Thursday just about topped anything either in hockey or lacrosse for a number of years. The teams went around with shillelaghs high. Strictly a survival of the fittest. Nearest match was in hockey last winter as Aurora and Newmarket Metropolitan Leaguers reached the feudin' stage. Seems the blood and thunder brings in the customers.

In again is the word received by Coach Matt Walsh over the weekend giving our Redmen lacrosse another chance. That first game as we mentioned previously, played at Weston, didn't get in under the curfew ruling. O.L.A. headquarters say play it over again.

A misunderstanding, that's all that can be said for the failure of Langstaff or any other team to appear at the park last Tuesday as the Vets and a host of their supporters waited in vain. League governors met last weekend to straighten out the tangle of postponed games.

Haskett's hash: We've been telling you about two Collings Bros. with the Redmen lacrosse. It's three now. That's Roy or "Mutt" as he is better known, Bruce, and in recent games Keith. Les Beaser sees great possibilities in lacrosse as a major sports attraction. If Matt Walsh-Larry Sheffe and company, after this new lease of life, can get a home game next Thursday, rink should be filled. **Congrats department.** An hurrah to Glad Lloyd and working committee of the Schomberg Lions. Their floodlights went on last Tuesday. Darkless won't hold any terrors now. Aurora plans to make immediate start on artificial ice; Stouffville is underway. When Newmarket goes ahead many a sigh of relief will go up. One gent who's due a big hand for keeping in there pitching is Fred Thompson. Freddie and the ways and means committee are optimistic of a big break any day now. Barrie Valleys eliminated Allandale in two straight but not before receiving a couple of scares. Valleys won 5-4 and 6-5 coming from behind in both tilts. Frank Hollingsworth is preparing his bantam ball team for O.B.A. action. They'll likely go against Bowmanville in the first round. Five Aurora players are likely to give a boost to the locals. They're Bob Andrews, Bobs Cook, David Harrison, Keith Kincaid, Walter Fines. Ray Fox, the big husky defenseman with the Redmen lacrosse, maybe we ought to say "Ozark Ike" or "Lil Abner", is hockey player too, played with Young Rangers, Junior A's two years ago, would like to play with Newmarket next winter. **Ab Hulse and his working committee for the Aurora Legion Sports Day.** Aug. 19 and 20, have a tremendous softball program rounded up. Brampton Legion, Sportsmen's Legion, Gordie Wright their main pitching asset, Newmarket Vets, Woodbridge, Buttonville, Silverthorn Legion are booked. An eighth club needed will likely come from the Lake Simcoe Softball League. "Joint" McComb expects to make the trip with Mount Albert softball club for an exhibition game with Wingham in the latter centre this Saturday, under the lights. Murray Roberts, Mount Albert bank manager, used to live in that centre.

### Take Barrie In Golf Tournament

A week ago last Saturday the first invitation golf tournament since before the war was held between the Barrie Golf and Country Club and the Highlands Golf and Country Club at Aurora.

Common before the war, these tournaments had not been held since. Efforts are being made to revive these interesting golfing features and next on the list is the new Uplands Golf and Country Club which is expected to visit Aurora in the near future. The tournament between Barrie and Aurora saw the Aurora club come out on top, scoring the greatest number of points during the day.

## Boxla Boys Wind Up Behind Westmounts

Thursday, Newmarket

Any of the sheets you picked up over the last week went on at great length to explain cause and affect of the heat wave on folks. For two periods on Thursday the heat didn't seem to show any effect on the Newmarket "Redmen" and Westmounts presently engaged in the hard fought lacrosse semi-final series.

Then as the third quarter started to roll, heat and frayed tempers took their toll. The teams went into a swing and swat, poke and jab, grapple and groan series of convulsions that would have shamed the Hatfields and McCoys.

After referees Bain and Arthur found time to sort out the melee and pass along the sordid details to the timers, four, two from each team, had time to assess their bumps and bruises for five minutes, and two—Scotty Johnston of the Redmen and Gord. Burlington of the invaders—were out of the game for good. After that penalties were the standard line.

Penalties proved a boon to the Westmounts. They fired home six tallies while Matt Walsh's boys were short-handed. Four of these came early in the fourth quarter after Harry Legge was ticketed with a five-minute sentence. This allowed the visitors to leave with a 16-10 triumph.

The scoring pendulum swung back and forth in a steady rhythm in the first two periods. Westmounts held the odd goal advantage in 15 at the halfway. Then it veered sharply in Westmounts' favor. They pulled away on four quick scoring thrusts while each club was two men short as a result of that hectic piece of scrapping in the third. The third closed at 13-9. The visitors tacked on three in the closing round, while Ray "Lil Abner" Fox drove in a whistler to bring the Newmarket total into the two-figure column.

Both Bernie Murray, our net-minder, and his opposite, Bill Knatchell, turned in excellent chores, the latter being particularly poisonous to our sharpshooters in the final chapter. Harry Legge was number one on the Newmarket scoring lists with two, the Collings brothers, "Mutt" Keith and Bruce, turned in their quota with one each. Perry Standeven, Tom Cooney, Harvey Mashinter, Bob Hanna, and Ray Fox blinded the red light once each.

**GOLFING TOURNAMENT**

This Saturday afternoon the annual tournament for the Hiram Walker Trophy is to be held at the Highlands Golf and Country Club, Aurora. Entries have been received so far from teams all over southern Ontario. The Hiram Walker competition is the outstanding golfing event of the current local season.

**GOLFING FOURSOME**

A special golfing foursome last Thursday and Friday made the rounds of a number of golf courses. The foursome consisted of Bill "Red" Mitchell, Bill Eziniki, Mush March and Jack Moran. They are getting in shape for the Ontario Open, to be held August 26 and 27 at Windsor.

## Simcoe Play-offs North vs South

Action stations! Chips are down now in Lake Simcoe softball whirl. Schedule was completed Monday. Keswick is 'king of the castle' followed by Pine Orchard, Hope, Willow Beach, Zephyr and Mount Albert. League governors threw them into a deciding game at Mount Albert Monday. Dot Menar's Beavers snared an 8-4 win, "Cec" McNeill besting Gord Rynard in the duel. That leaves us with Keswick and Hope clashing in series A three out of five. Series B between Pine Orchard and Willow Beach goes two out of three, series C, Zephyr and Mount Albert, two out of three. That gives us a strictly north versus south play-off and a chance for all the fans to get in behind a favorite. All kinds of fireworks due to burst before a winner comes home.

Might be wise before slamming shut the books to give a brief rundown of those final schedule games. Top teams, Zephyr, Pine Orchard and Mount Albert made merry at the expense of the lower half. Zephyr surprised Hope at home 4-2. Ron Kester whiffed eight Hope swingers, helped along by solid hitting by Don Hewlett and Doug Forsythe. Lon Ganton pitched steady ball until giving away to Don Glover who had control trouble. Floyd Breen up with a pair of bingles.

Zephyr had a score from Brown Hill before pitching in for the winning markers in a 4-2 triumph. Hill errors gave Max Chapman most of his troubles. Clark Arnold on a three for three runs, Carl Sedore was chief

Front running Keswick found it had a double portion of trouble on its doorstep when Willow Beach moved in. It needed a rally in the final innings to put over an 11-10 win. "Cec" McNeill helped his tossing with a homer. Tom Hare did a like chore for the victors. Keswick outfield tagged with an error or two for a change.

At Queensville Monday night, Keswick defeated Queensville 12-7. Pitching for Keswick were Harold Smith and Al Hodgins and for Queensville, George Evans and Bob English. For Keswick, homers were walloped by R. Connell, Bob Pollock who also got a triple and Tom Hare also got a homer. Ken Rodgers did the honors for Queensville with a homer and Bob English, Jack Perry and Milne each had two hits for Queensville.

Say, we'll have to get our hearing aid returned. Had it on good authority Clark Arnold had a pair of home runs at Queensville. That modest chap says, "No, I wasn't even there". Bruce Locke and Chas. Lunney should have gotten the credit.

Here's those play-off dates to calendar for future reference: Series A: Aug. 19, Hope at Keswick; Aug. 24, Keswick at Hope; Aug. 26, Hope at Keswick; series B: Aug. 18, Willow Beach at Pine Orchard; Aug. 23, Pine Orchard at Willow Beach; series C: Aug. 17, Mount Albert at Zephyr; Aug. 22, Zephyr at Mount Albert.

asset for the Hill.

Pine Orchard accumulated its double triumph, downing its nearest neighbor, Vandorf, 7-3. "Josh" Preston on the winning end helped by Del Dike's four-baser. Harold Botham and "Cab" Preston were Vandorf twirlers. Pine Orchard registered an identical home win over Sharon. Ted Tidman coasted after his mates wrapped it up with five runs uprisings off Ivan Eves. "Chick" Shropshire bustled out with a base-circling smash. Harold Farr was top swinger for the vanquished.

Murray Roberts had his help brushing up on its hitting before the play-off action. "Red" Mitchell had a pair of shut-out wins, Sharon 9-0 and then Brown Hill 7-0. In the Sharon scrap "Mitch" recorded eight strike-outs. Hal Watts on a three for three string and Doug Simpson up with a homer. Hal Proctor was chief Sharon hitter.

Front running Keswick found it had a double portion of trouble on its doorstep when Willow Beach moved in. It needed a rally in the final innings to put over an 11-10 win. ### Zephyr Blues Triumph Queensville Sports Day

Zephyr "Blues" proved the surprise package of the Queensville Sport Day softball tournament wading through all opposition to take the major portion of the cash and the trophy that goes along. Zephyr with Ron Kester pitching steady ball, knocked off Barrie "Copacos" 3-0 in the first round.

The other first round action found Queensville with Tommy Stewart, star hurler of the Beaches Fastball League, doing their pitching, shutting out Hope 6-0. Newmarket Vets came up with a 15-3 win over Maple Leaf Milling Co. in the other first round bracket. The Vets drew the bye in the semi-finals while the surprising Zephyrs conked Queensville 6-5 in a feature tilt.

Ken. Hodgins' homer plated three runs while Clark Arnold smashed out a solid hit off Stewart for the winning margin. In the finals Zephyr brought in "Red" Mitchell for hurling duties and Mitch, along with his heavy slugging mates, turned back Newmarket Vets 12-6.

Front running Keswick found it had a double portion of trouble on its doorstep when Willow Beach moved in. It needed a rally in the final innings to put over an 11-10 win.
